LETTER TO SHAREHOLDERS

TO THE SHAREHOLDERS OF ROSS ACQUISITION CORP II:

You are cordially invited to attend an extraordinary general meeting in lieu of an annual meeting (the “**extraordinary general meeting**”) of shareholders of Ross Acquisition Corp II (the “**Company**,” “**we**,” “**us**” or “**our**”), which will be held on September 15, 2023 at 10:00 a.m. Eastern Time, at the office of White & Case LLP at 1221 Avenue of the Americas, New York, NY 10020, and via a virtual meeting, or at such other time, on such other date and at such other place to which the extraordinary general meeting may be adjourned.

The extraordinary general meeting will be conducted via live webcast, but the physical location of the extraordinary general meeting will remain at the location specified above for the purposes of our Amended and Restated Memorandum and Articles of Association (as amended, our “**Articles**”). If you wish to attend the extraordinary general meeting in person, you must reserve your attendance at least two business days in advance of the extraordinary general meeting by contacting the Company at 1 Pelican Lane, Palm Beach, Florida 33480, (561) 655-2615, Attn: Nadim Qureshi, by 9:00 a.m., Eastern Time, on September 13, 2023 (two business days prior to the initially scheduled meeting date). You will be able to attend the extraordinary general meeting online, vote and submit your questions during the extraordinary general meeting by visiting: www.virtualshareholdermeeting.com/ROSS2023SM2.

Even if you are planning on attending the extraordinary general meeting online or in person, please promptly submit your proxy vote by telephone, or, if you received a printed form of proxy in the mail, by completing, dating, signing and returning the enclosed proxy, so your shares will be represented at the extraordinary general meeting. Instructions on voting your shares are on the proxy materials you received for the extraordinary general meeting. Even if you plan to attend the extraordinary general meeting online or in person, it is strongly recommended you complete and return your proxy card before the extraordinary general meeting date, to ensure that your shares will be represented at the extraordinary general meeting if you are unable to attend.

The accompanying proxy statement (the “**Proxy Statement**”) is dated August 31, 2023, and is first being mailed to shareholders of the Company on or about August 31, 2023. The sole purpose of the extraordinary general meeting is to consider and vote upon the following proposals (the “**Proposals**”):

1. a proposal to approve, as a special resolution, the amendment of our Articles in the form set forth in [Annex A](#) to the accompanying Proxy Statement (the “**Extension Amendment**” and such proposal, the “**Extension Amendment Proposal**”), to extend the date by which the Company must (i) consummate or effect a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses (a “**Business Combination**”, and the Company’s initial Business Combination, the “**Initial Business Combination**”), (ii) cease all operations except for the purpose of winding up, and (iii) redeem 100% of our Class A ordinary shares, \$0.0001 par value (the “**Class A ordinary shares**”), included as part of the units (the “**Public Shares**”) sold in the Company’s initial public offering that was consummated on March 16, 2021 (the “**IPO**”), from September 16, 2023 to March 16, 2024 (the “**Extension**”, and such later date, the “**Extended Date**”), or such earlier date as determined by the Company’s board of directors (the “**Board**”);
 2. a proposal to approve, as a special resolution, the amendment of our Articles in the form set forth in [Annex B](#) to the accompanying Proxy Statement (the “**Redemption Limitation Amendment**” and such proposal the “**Redemption Limitation Amendment Proposal**”) to delete: (i) the limitation that the Company shall not consummate a Business Combination if it would cause the Company’s net tangible assets to be less than \$5,000,001; and (ii) the limitation that the Company shall not redeem Public Shares in an amount that would cause the Company’s net tangible assets to be less than \$5,000,001 following such redemptions;
 3. a proposal to elect Larry Kudlow as Class I director of the Company’s board of directors (the “**Board**”), until the third annual meeting of the Company held after the extraordinary general meeting or until his successor is appointed and qualified (the “**Director Election Proposal**”); and

4. a proposal to approve, as an ordinary resolution, the adjournment of the extraordinary general meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals (the “**Adjournment Proposal**”).

Each of the Proposals are more fully described in the accompanying Proxy Statement.

The purpose of the Extension Amendment Proposal is to allow us additional time to identify, negotiate and consummate or effect a Business Combination.

The Company entered into a Business Combination Agreement, dated January 17, 2023 (the “**Business Combination Agreement**”), with APRINOA Therapeutics Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Target**”), APRINOA Therapeutics Holdings Limited, an exempted company incorporated with limited liability under the laws of the Cayman Islands (“**PubCo**”), APRINOA Therapeutics Merger Sub 1, Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands and a direct wholly-owned subsidiary of PubCo (“**Merger Sub 1**”), APRINOA Therapeutics Merger Sub 2, Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands and a direct wholly-owned subsidiary of the Company (“**Merger Sub 2**”) and APRINOA Therapeutics Merger Sub 3, Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands and a direct wholly-owned subsidiary of the Company (“**Merger Sub 3**”). Effective as of August 21, 2023, the Company, the Target, PubCo and the Merger Subs mutually agreed to terminate the Business Combination Agreement and, consequently, the other Transaction Documents (as defined in the Business Combination Agreement) pursuant to the terms of a termination agreement entered into by and between each of the parties to the Business Combination Agreement (the “**Termination Agreement**”).

The Company’s prospectus for its initial public offer (“**IPO**”) and its Articles initially provided that the Company had until March 16, 2023 (or 24 months after the closing date of its IPO) to complete a Business Combination. On March 13, 2023, the Company’s shareholders approved an amendment to the Articles to extend the time the Company has to complete a Business Combination to September 16, 2023 (the “**Combination Period**”). The Company’s board of directors (the “**Board**”) currently believes that there will not be sufficient time within the Combination Period to complete a Business Combination. Accordingly, the Board has determined that the Extension Amendment would be in the best interests of our shareholders in order to give our shareholders the opportunity to consider an investment opportunity in connection with a Business Combination, rather than commencing a liquidation on September 16, 2023 as required by our Articles.

The purpose of the Redemption Limitation Amendment Proposal is to eliminate the requirement that the Company have at least \$5,000,001 in tangible net assets (as determined in accordance with Rule 3a51-1(g)(1) under the Securities Exchange Act of 1934, as amended (“**Exchange Act**”)) in order to consummate the Extension and a Business Combination. Unless the Redemption Limitation Amendment Proposal is approved, we will not proceed with the Extension if redemptions of the Public Shares would cause the Company to exceed the Redemption Limitation. Further, if the Redemption Limitation Amendment Proposal is not approved and there are significant requests for redemption such that the Redemption Limitation would be exceeded, the Redemption Limitation would prevent the Company from being able to consummate a Business Combination. The Company believes that the Redemption Limitation is not needed. The purpose of such limitation was initially to ensure that the Company did not become subject to the SEC’s “penny stock” rules. Because the Public Shares would not be deemed to be “penny stock” as such securities are listed on a national securities exchange, the Company is presenting the Redemption Limitation Amendment Proposal to facilitate the consummation of the Extension and a Business Combination.

The purpose of the Director Election Proposal is to elect a director to serve as a Class I director on the Board.

The purpose of the Adjournment Proposal is to allow the Company to adjourn the special meeting to a later date or dates if we determine that additional time is necessary to permit further solicitation and vote of proxies in the event that there are insufficient votes to approve the other proposals or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals.

TABLE OF CONTENTS

In connection with the Extension Amendment Proposal, holders of the Public Shares (holders of such shares, the “**Public Shareholders**”) may elect (the “**Election**”) to redeem their Public Shares for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account established in connection with the IPO (the “**Trust Account**”), including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then-outstanding Public Shares, regardless of whether such Public Shareholders vote on the Extension Amendment Proposal. If the Extension Amendment Proposal is approved by the requisite vote of shareholders, the remaining holders of Public Shares will retain their right to redeem their Public Shares when a Business Combination, is submitted to the shareholders, subject to any limitations set forth in our Articles, as amended. In addition, Public Shareholders who do not make the Election would be entitled to have their Public Shares redeemed for cash if the Company has not completed a Business Combination by the Extended Date.

To make the Election, you must demand that the Company redeem your Public Shares for a pro rata portion of the funds held in the Trust Account and tender or deliver your Public Shares to the Company’s transfer agent at least two business days prior to initial scheduled date of the extraordinary general meeting (or 5:00 p.m. Eastern Time on September 13, 2023). You may tender or deliver your Public Shares by either delivering your shares (and any share certificate(s) (if any)) to the transfer agent or by delivering your shares electronically using the Depository Trust Company’s Deposit/Withdrawal At Custodian system. If you hold your Public Shares in street name, you will need to instruct your bank, broker or other nominee to withdraw the Public Shares from your account in order to make the Election. THE REDEMPTION RIGHTS INCLUDE THE REQUIREMENT THAT A HOLDER MUST IDENTIFY ITSELF IN WRITING AS A BENEFICIAL HOLDER AND PROVIDE ITS LEGAL NAME, PHONE NUMBER AND ADDRESS TO THE TRUSTEE IN ORDER TO VALIDLY REDEEM ITS SHARES.

As of the Record Date (as defined below), based on funds in the Trust Account of approximately \$68.6 million as of such date, the pro rata portion of the funds available in the Trust Account for the redemption of Public Shares was approximately \$10.74 per share (before taking into account the removal of the accrued interest in the Trust Account to pay our taxes). The closing price of the Company’s Class A ordinary shares on August 18, 2023 as reported on the New York Stock Exchange was \$10.65. The Company cannot assure shareholders that they will be able to sell their Class A ordinary shares in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such shareholders wish to sell their shares.

The Adjournment Proposal, if adopted, will allow the Board to adjourn the extraordinary general meeting to a later date or dates to permit further solicitation of proxies. The Adjournment Proposal may be presented to our shareholders in the event that there are insufficient votes for, or otherwise in connection with, the approval of the other proposals, or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals.

If the Extension Amendment Proposal is not approved and we do not consummate a Business Combination by September 16, 2023 in accordance with our Articles, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter redeem the Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations, if any (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of the then-outstanding Public Shares, which redemption will completely extinguish Public Shareholders’ rights as shareholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete a Business Combination by September 16, 2023, 30 months from the closing of the IPO.

Our sponsor, Ross Holding Company LLC, a Cayman Islands limited liability company (the “**Sponsor**”), owns 8,625,000 Class B ordinary shares, par value \$0.0001 (the “**Class B ordinary shares**” or “**Founder Shares**”), that were issued to the Sponsor prior to our IPO, and 5,933,333 private placement warrants (the “**Private Placement Warrants**”), which were purchased by the Sponsor in a private placement that occurred simultaneously with the completion of the IPO. In the event of a liquidation, the Sponsor will not receive any monies held in the Trust Account as a result of their ownership of the Founder Shares or the Private Placement Warrants.

TABLE OF CONTENTS

The Board has fixed the close of business on August 28, 2023 (the “**Record Date**”) as the record date for determining the Company’s shareholders entitled to receive notice of and vote at the extraordinary general meeting and any adjournment thereof. Only holders of record of the Company’s ordinary shares on that date are entitled to have their votes counted at the extraordinary general meeting or any adjournment thereof. On the Record Date, there were 15,005,902 ordinary shares outstanding, consisting of 6,380,902 Public Shares and 8,625,000 Class B ordinary shares, par value \$0.0001 (the Class B ordinary shares together with the Public Shares, the “**ordinary shares**”).

Under Cayman Islands law and the Articles, (i) the approval of each of the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal requires a special resolution, being the affirmative vote of the holders of at least two-thirds (2/3) of the then-issued and outstanding ordinary shares, (ii) the election of director requires at least a majority of the then-issued and outstanding Class B ordinary shares, and (iii) the approval of the Adjournment Proposal requires an ordinary resolution, being the affirmative vote of the holders of at least a majority of the then-issued and outstanding ordinary shares, in each case by the holders who, being present (including via live webcast) or represented by proxy and entitled to vote at the extraordinary general meeting, vote at the extraordinary general meeting. Shareholder approval of the Extension Amendment Proposal is required for the implementation of the Board’s plan to extend the date by which we must complete a Business Combination. Approval of the Redemption Limitation Amendment Proposal is a condition to implementing the Redemption Limitation Amendment. Additionally, the Redemption Limitation Amendment Proposal is conditioned on the approval of the Extension Amendment Proposal. The Extension Amendment Proposal, the Director Election Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the Extension Amendment. Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders.

Currently, the Sponsor owns approximately 57.5% of our issued and outstanding ordinary shares, including 8,625,000 Founder Shares, which is 100% of the Class B ordinary shares. Accordingly, as of the Record Date, in addition to the shares held by the Sponsor, the Company would only need 1,378,935 Public Shares, or approximately 21.6% of all outstanding Public Shares, to be voted in favor of the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal and no additional Public Shares to be voted in favor of the director nominee or the Adjournment Proposal, as applicable, to approve such proposals, assuming all outstanding ordinary shares are voted on such proposals. If only a minimum quorum, consisting of a bare majority of outstanding ordinary shares, is present at the extraordinary general meeting, in addition to the shares held by the Sponsor, the Company would not need any additional Public Shares to be voted in favor of the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the Director Election Proposal or the Adjournment Proposal to approve such proposals or the director nominee, as applicable.

You are not being asked to vote on a Business Combination at this time. If the Extension is implemented and you do not elect to redeem your Public Shares, provided that you are a shareholder on the record date for a general meeting to consider a Business Combination, you will retain the right to vote on a Business Combination when it is submitted to shareholders and the right to redeem your Public Shares for cash in the event a Business Combination is approved and completed or we have not consummated a Business Combination by the Extended Date.

AFTER CAREFUL CONSIDERATION OF ALL RELEVANT FACTORS, THE BOARD HAS DETERMINED THAT THE EXTENSION AMENDMENT PROPOSAL, THE REDEMPTION LIMITATION AMENDMENT PROPOSAL, THE DIRECTOR ELECTION PROPOSAL AND, IF PRESENTED, THE ADJOURNMENT PROPOSAL ARE ADVISABLE AND RECOMMENDS THAT YOU VOTE OR GIVE INSTRUCTION TO VOTE “FOR” SUCH PROPOSALS AND “FOR” THE DIRECTOR NOMINEE.

Enclosed is the Proxy Statement containing detailed information concerning the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the Director Election Proposal and the Adjournment Proposal and the extraordinary general meeting. Whether or not you plan to attend the extraordinary general meeting, we urge you to read this material carefully and vote your shares. Shareholders will have the opportunity to present questions to the management of the Company at the extraordinary general meeting.

Even if you plan to attend the extraordinary general meeting online or in person, it is strongly recommended you complete and return your proxy card before the extraordinary general meeting date, to ensure that your shares will be represented at the extraordinary general meeting if you are unable to attend.

The accompanying proxy statement (the “**Proxy Statement**”) is dated August 31 2023, and is first being mailed to shareholders of the Company on or about August 31, 2023. The sole purpose of the extraordinary general meeting is to consider and vote upon the following proposals (the “**Proposals**”):

1. a proposal to approve, as a special resolution, the amendment of our Articles in the form set forth in [Annex A](#) to the accompanying Proxy Statement (the “**Extension Amendment**” and such proposal, the “**Extension Amendment Proposal**”), to extend the date by which the Company must (i) consummate or effect a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses (a “**Business Combination**”, and the Company’s initial Business Combination, the “**Initial Business Combination**”), (ii) cease all operations except for the purpose of winding up, and (iii) redeem 100% of our Class A ordinary shares, \$0.0001 par value (the “**Class A ordinary shares**”), included as part of the units (the “**Public Shares**”) sold in the Company’s initial public offering that was consummated on March 16, 2021 (the “**IPO**”), from September 16, 2023 to March 16, 2024 (the “**Extension**”, and such later date, the “**Extended Date**”), or such earlier date as determined by the Company’s board of directors (the “**Board**”);

TABLE OF CONTENTS

3. a proposal to elect Larry Kudlow as Class I director of the Company's board of directors (the "**Board**"), until the third annual meeting of the Company held after the extraordinary general meeting or until his successor is appointed and qualified (the "**Director Election Proposal**"); and
4. a proposal to approve, as an ordinary resolution, the adjournment of the extraordinary general meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals (the "**Adjournment Proposal**").

Each of the Proposals are more fully described in this Proxy Statement.

The purpose of the Extension Amendment Proposal is to allow us additional time to identify, negotiate and consummate or effect a Business Combination.

The Company entered into a Business Combination Agreement, dated January 17, 2023 (the "**Business Combination Agreement**"), with APRINOIA Therapeutics Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "**Target**"), APRINOIA Therapeutics Holdings Limited, an exempted company incorporated with limited liability under the laws of the Cayman Islands ("**PubCo**"), APRINOIA Therapeutics Merger Sub 1, Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands and a direct wholly-owned subsidiary of PubCo ("**Merger Sub 1**"), APRINOIA Therapeutics Merger Sub 2, Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands and a direct wholly-owned subsidiary of the Company ("**Merger Sub 2**") and APRINOIA Therapeutics Merger Sub 3, Inc., an exempted company incorporated with limited liability under the laws of the Cayman Islands and a direct wholly-owned subsidiary of the Company ("**Merger Sub 3**"). Effective as of August 21, 2023, the Company, the Target, PubCo and the Merger Subs mutually agreed to terminate the Business Combination Agreement and, consequently, the other Transaction Documents (as defined in the Business Combination Agreement) pursuant to the terms of a termination agreement entered into by and between each of the parties to the Business Combination Agreement (the "**Termination Agreement**").

The Company's prospectus for its initial public offer ("**IPO**") and its Articles initially provided that the Company had until March 16, 2023 (or 24 months after the closing date of its IPO) to complete a Business Combination. On March 13, 2023, the Company's shareholders approved an amendment to the Articles to extend the time the Company has to complete a Business Combination to September 16, 2023 (the "**Combination Period**"). The Company's board of directors (the "**Board**") currently believes that there will not be sufficient time within the Combination Period to complete a Business Combination. Accordingly, the Board has determined that the Extension Amendment would be in the best interests of our shareholders in order to give our shareholders the opportunity to consider a Business Combination, rather than commencing a liquidation on September 16, 2023 as required by our Articles.

The purpose of the Redemption Limitation Amendment Proposal is to eliminate the requirement that the Company have at least \$5,000,001 in tangible net assets (as determined in accordance with Rule 3a51-1(g)(1) under the Securities Exchange Act of 1934, as amended ("**Exchange Act**")) in order to consummate the Extension and a Business Combination. Unless the Redemption Limitation Amendment Proposal is approved, we will not proceed with the Extension if redemptions of the Public Shares would cause the Company to exceed the Redemption Limitation. Further, if the Redemption Limitation Amendment Proposal is not approved and there are significant requests for redemption such that the Redemption Limitation would be exceeded, the Redemption Limitation would prevent the Company from being able to consummate a Business Combination. The Company believes that the Redemption Limitation is not needed. The purpose of such limitation was initially to ensure that the Company did not become subject to the SEC's "penny stock" rules. Because the Public Shares would not be deemed to be "penny stock" as such securities are listed on a national securities exchange, the Company is presenting the Redemption Limitation Amendment Proposal to facilitate the consummation of the Extension and a Business Combination.

The purpose of the Director Election Proposal is to elect a director to serve as a Class I director on the Board.

TABLE OF CONTENTS

The purpose of the Adjournment Proposal is to allow the Company to adjourn the special meeting to a later date or dates if we determine that additional time is necessary to permit further solicitation and vote of proxies in the event that there are insufficient votes to approve the other proposals or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals.

In connection with the Extension Amendment Proposal, holders of the Public Shares (holders of such shares, the “**Public Shareholders**”) may elect (the “**Election**”) to redeem their Public Shares for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account established in connection with the IPO (the “**Trust Account**”), including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then-outstanding Public Shares, regardless of whether such Public Shareholders vote on the Extension Amendment Proposal. If the Extension Amendment Proposal is approved by the requisite vote of shareholders, the remaining holders of Public Shares will retain their right to redeem their Public Shares when a Business Combination, is submitted to the shareholders, subject to any limitations set forth in our Articles, as amended. In addition, Public Shareholders who do not make the Election would be entitled to have their Public Shares redeemed for cash if the Company has not completed a Business Combination by the Extended Date.

To make the Election, you must demand that the Company redeem your Public Shares for a pro rata portion of the funds held in the Trust Account and tender or deliver your Public Shares to the Company’s transfer agent at least two business days prior to the initial scheduled date of the extraordinary general meeting (or 5:00 p.m. Eastern Time on September 13, 2023). You may tender or deliver your Public Shares by either delivering your shares (and any share certificate(s) (if any)) to the transfer agent or by delivering your shares electronically using the Depository Trust Company’s Deposit/Withdrawal At Custodian system. If you hold your Public Shares in street name, you will need to instruct your bank, broker or other nominee to withdraw the Public Shares from your account in order to make the Election. THE REDEMPTION RIGHTS INCLUDE THE REQUIREMENT THAT A HOLDER MUST IDENTIFY ITSELF IN WRITING AS A BENEFICIAL HOLDER AND PROVIDE ITS LEGAL NAME, PHONE NUMBER AND ADDRESS TO THE TRUSTEE IN ORDER TO VALIDLY REDEEM ITS SHARES.

As of the Record Date (as defined below), based on funds in the Trust Account of approximately \$68.6 million as of such date, the pro rata portion of the funds available in the Trust Account for the redemption of Public Shares was approximately \$10.74 per share (before taking into account the removal of the accrued interest in the Trust Account to pay our taxes). The closing price of the Company’s Class A ordinary shares on August 18, 2023 as reported on the New York Stock Exchange was \$10.65. The Company cannot assure shareholders that they will be able to sell their Class A ordinary shares in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such shareholders wish to sell their shares.

The Adjournment Proposal, if adopted, will allow the Board to adjourn the extraordinary general meeting to a later date or dates to permit further solicitation of proxies. The Adjournment Proposal may be presented to our shareholders in the event that there are insufficient votes for, or otherwise in connection with, the approval of the other proposals, or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals.

If the Extension Amendment Proposal is not approved and we do not consummate a Business Combination by September 16, 2023 in accordance with our Articles, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter redeem the Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations, if any (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of the then-outstanding Public Shares, which redemption will completely extinguish Public Shareholders’ rights as shareholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete a Business Combination by September 16, 2023, 30 months from the closing of the IPO.

TABLE OF CONTENTS

Our sponsor, Ross Holding Company LLC, a Cayman Islands limited liability company (the “**Sponsor**”), owns 8,625,000 Class B ordinary shares, par value \$0.0001 (the “**Class B ordinary shares**” or “**Founder Shares**” and, together with the Public Shares, the “**ordinary shares**”), that were issued to the Sponsor prior to our IPO, and 5,933,333 private placement warrants (the “**Private Placement Warrants**”), which were purchased by the Sponsor in a private placement that occurred simultaneously with the completion of the IPO. In the event of a liquidation, the Sponsor will not receive any monies held in the Trust Account as a result of their ownership of the Founder Shares or the Private Placement Warrants.

The Company has sought, and will continue to seek, that all vendors, service providers, prospective target businesses and other entities with which the Company does business execute agreements with the Company waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account for the benefit of the holders of Public Shares. The Sponsor has agreed that it will be liable to us, if and to the extent any claims by a third-party (other than our independent auditors) for services rendered or products sold to us, or a prospective target business with which we have discussed entering into a transaction agreement, reduce the amounts in the Trust Account to below the lesser of (i) \$10.00 per Public Share and (ii) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account if less than \$10.00 per Public Share due to reductions in the value of the trust assets, in each case net of the interest that may be withdrawn to pay our tax obligations, provided that such liability will not apply to any claims by a third-party or prospective target business that executed a waiver of any and all rights to seek access to the Trust Account and as to any claims under our indemnity of the underwriters of the IPO against certain liabilities, including liabilities under the Securities Act. Moreover, in the event that an executed waiver is deemed to be unenforceable against a third-party, the Sponsor will not be responsible to the extent of any liability for such third-party claims. There is no assurance that the Sponsor will be able to satisfy its obligations; however, the Company has not asked the Sponsor to reserve for such indemnification obligations. The per-share liquidation price for the Public Shares is anticipated to be approximately \$10.74 million (based on the amount in the Trust Account as of the Record Date, before taking into account the removal of the accrued interest in the Trust Account to pay our taxes). Nevertheless, the Company cannot assure you that the per share distribution from the Trust Account, if the Company liquidates, will not be less than \$10.74 , plus interest, due to unforeseen claims of potential creditors.

If the Extension Amendment Proposal is approved, the Company, pursuant to the terms of the investment management trust agreement, dated March 16, 2021 (the “**Trust Agreement**”), by and between the Company and Continental Stock Transfer & Trust Company (“**Continental**”), will (i) remove from the Trust Account an amount (the “**Withdrawal Amount**”), equal to the number of Public Shares properly redeemed multiplied by the per-share price (the per-share price being equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to pay our taxes, divided by the number of then outstanding Public Shares), and (ii) deliver to the holders of such redeemed Public Shares their portion of the Withdrawal Amount. The remainder of such funds shall remain in the Trust Account and be available for use by the Company to complete a Business Combination on or before the Extended Date. Holders of Public Shares who do not redeem their Public Shares now will retain their redemption rights and their ability to vote on a Business Combination through the Extended Date, if the Extension Amendment Proposal is approved.

The Board has fixed the close of business on August 28, 2023 (the “**Record Date**”) as the record date for determining the Company’s shareholders entitled to receive notice of and vote at the extraordinary general meeting and any adjournment thereof. Only holders of record of the Company’s ordinary shares on that date are entitled to have their votes counted at the extraordinary general meeting or any adjournment thereof. On the Record Date, there were 15,005,902 ordinary shares outstanding, consisting of 6,380,902 Public Shares and 8,625,000 Class B ordinary shares .

Under Cayman Islands law and the Articles, (i) the approval of each of the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal requires a special resolution, being the affirmative vote of the holders of at least two-thirds (2/3) of the then-issued and outstanding ordinary shares, (ii) the election of director requires at least a majority of the then-issued and outstanding Class B ordinary shares, and (iii) the approval of the Adjournment Proposal requires an ordinary resolution, being the affirmative vote of the holders of at least a majority of the then-issued and outstanding ordinary shares, in each case by the holders who, being present (including via live webcast) or represented by proxy and entitled to vote at the extraordinary general meeting, vote at the extraordinary general meeting. Shareholder approval of the Extension Amendment Proposal is required for the implementation of the Board’s plan to extend the date by which we must complete a Business Combination. Approval of the Redemption Limitation Amendment Proposal is a condition to implementing the Redemption Limitation Amendment.

TABLE OF CONTENTS

Additionally, the Redemption Limitation Amendment Proposal is conditioned on the approval of the Extension Amendment Proposal. The Extension Amendment Proposal, the Director Election Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the Extension Amendment. Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders.

QUESTIONS AND ANSWERS ABOUT THE MEETING

These Questions and Answers are only summaries of the matters they discuss. They do not contain all of the information that may be important to you. You should read carefully the entire document, including the annexes to this Proxy Statement.

Why am I receiving this Proxy Statement?

This Proxy Statement and the enclosed proxy card are being sent to you in connection with the solicitation of proxies by the Board for use at the extraordinary general meeting in lieu of an annual meeting of shareholders to be held at 10:00 a.m. Eastern time on September 15, 2023, or at any adjournments or postponements thereof. This Proxy Statement summarizes the information that you need to make an informed decision on the proposals to be considered at the extraordinary general meeting. This Proxy Statement and the enclosed proxy card were first sent to our shareholders on or about August 31, 2023.

The Company is a blank check company incorporated on January 22, 2021 as a Cayman Islands exempted company for the purpose of entering into a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities. In March 2021, the Company consummated its IPO from which it derived gross proceeds of \$345.0 million. Like most blank check companies, our Articles provide for the return of the IPO proceeds held in trust to the holders of shares sold in the IPO if there is no qualifying Business Combination(s) consummated on or before a certain date (in our case, presently September 16, 2023, and if the Extension is implemented, March 16, 2024). The Board believes that it is in the best interests of the shareholders to continue the Company's existence until the Extended Date in order that our shareholders are given the opportunity to consider a Business Combination, rather than commencing a liquidation on September 16, 2023.

The extraordinary general meeting is being held, in part, to allow us additional time to identify, negotiate and consummate or effect a Business Combination. The extraordinary general meeting is also being held, in part, to satisfy the annual meeting requirement of the NYSE. NYSE Listed Company Manual 302.00 requires that we hold an annual general meeting of shareholders within 12 months after our fiscal year ended December 31, 2022.

In addition, the Board believes that it is in the best interests of shareholders to eliminate the Redemption Limitation to facilitate the consummation of the Extension and a Business Combination.

The Proposals

What is being voted on?

You are being asked to vote on four Proposals:

- *Extension Amendment Proposal.* A proposal to approve a special resolution to amend our Articles to extend the date by which we have to either consummate a Business Combination or wind up the Company and redeem 100% of the Public Shares sold in the IPO from September 16, 2023 to March 16, 2024 (or such earlier date as determined by the Board);
- *Redemption Limitation Amendment Proposal.* A proposal to approve a special resolution to amend our Articles to delete: (i) the limitation that the Company shall not consummate a Business Combination if it would cause the Company's net tangible assets to be less than \$5,000,001; and (ii) the limitation that the Company shall not redeem Public Shares in an amount that would cause the Company's net tangible assets to be less than \$5,000,001 following such redemptions;
- *Director Election Proposal.* A proposal to elect Larry Kudlow as Class I director of the Company's Board, until the third annual meeting of the Company held after the extraordinary general meeting or until his successor is appointed and qualified; and
- *Adjournment Proposal.* A proposal to approve an ordinary resolution to approve the adjournment of the extraordinary general meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the other Proposals, or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals.

TABLE OF CONTENTS

The Extension Amendment Proposal is required for the implementation of the Board's plan to extend the date that we have to complete a Business Combination. The purpose of the Extension Amendment is to allow the Company more time to complete a Business Combination. Approval of the Extension Amendment Proposal is a condition to the implementation of the Extension.

If the Extension Amendment Proposal is approved, we will, pursuant to the Trust Agreement, remove the Withdrawal Amount from the Trust Account, deliver to the holders of redeemed Public Shares their portion of the Withdrawal Amount and retain the remainder of the funds in the Trust Account for our use in connection with consummating a Business Combination on or before the Extended Date.

If the Extension Amendment Proposal is approved and the Extension is implemented, the removal of the Withdrawal Amount from the Trust Account in connection with the Election will reduce the amount held in the Trust Account following the Election. We cannot predict the amount that will remain in the Trust Account if the Extension Amendment Proposal is approved. In such event, we may need to obtain additional funds to complete a Business Combination, and there can be no assurance that such funds will be available on terms acceptable to the parties or at all.

If the Extension Amendment Proposal is not approved and we do not consummate a Business Combination by September 16, 2023 in accordance with our Articles, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter redeem the Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations, if any (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of the then-outstanding Public Shares, which redemption will completely extinguish Public Shareholders' rights as shareholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete a Business Combination by September 16, 2023, 30 months from the closing of the IPO. In the event of a liquidation, the Sponsor will not receive any monies held in the Trust Account as a result of their ownership of the Founder Share or the Private Placement Warrants.

Why is the Company proposing the Extension Amendment Proposal, the Director Election Proposal and the Redemption Limitation Amendment Proposal?

Our Articles provide for the return of our IPO proceeds held in the Trust Account to the holders of Public Shares if there is no Business Combination consummated on or before September 16, 2023. As explained below, we will not be able to complete a Business Combination by that date, and, therefore, we are asking for an extension of this timeframe.

The sole purpose of the Extension Amendment Proposal is to allow us additional time to identify, negotiate and consummate or effect a Business Combination, which our Board believes is in the best interest of our shareholders. There is no assurance that the Company will be able to consummate a Business Combination, given the actions that must occur prior to closing of any Business Combination, including identification of a target company and negotiation of the terms of a business combination or similar agreement.

The Company believes that given its expenditure of time, effort and money on searching for potential opportunities for a Business Combination, circumstances warrant providing Public Shareholders an opportunity to consider an Initial Business Combination. Accordingly, the Board is proposing the Extension Amendment Proposal to amend our Articles in the form set forth in Annex A hereto to extend the date by which we must (i) consummate a Business Combination, (ii) cease our operations if we fail to complete such Business Combination, and (iii) redeem or repurchase 100% of the Public Shares sold in our IPO from September 16, 2023 to March 16, 2024 (or such earlier date as determined by the Board).

The purpose of the Redemption Limitation Amendment Proposal is to eliminate the requirement that the Company have at least \$5,000,001 in tangible net assets (as determined in accordance with Rule 3a51-1(g)(1) under the Exchange Act in order to consummate the Extension and a Business Combination. Unless the Redemption Limitation Amendment Proposal is approved, we will not proceed with the Extension if redemptions of the Public Shares would cause the Company to exceed the Redemption Limitation. Further, if the Redemption Limitation

TABLE OF CONTENTS

Amendment Proposal is not approved and there are significant requests for redemption such that the Redemption Limitation would be exceeded, the Redemption Limitation would prevent the Company from being able to consummate a Business Combination. The Company believes that the Redemption Limitation is not needed. The purpose of such limitation was initially to ensure that the Company did not become subject to the SEC's "penny stock" rules. Because the Public Shares would not be deemed to be "penny stock" as such securities are listed on a national securities exchange, the Company is presenting the Redemption Limitation Amendment Proposal to facilitate the consummation of the Extension and a Business Combination.

The purpose of the Director Election Proposal is to elect a director to serve as a Class I director on the Board.

Shareholder approval of the Extension Amendment Proposal is required for the implementation of the Board's plan to extend the date by which we must complete a Business Combination. Approval of the Redemption Limitation Amendment Proposal is a condition to implementing the Redemption Limitation Amendment. Additionally, the Redemption Limitation Amendment Proposal is conditioned on the approval of the Extension Amendment Proposal. The Extension Amendment Proposal, the Director Election Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the Extension Amendment. Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders.

You are not being asked to vote on a Business Combination at this time. If the Extension is implemented and you do not elect to redeem your Public Shares, provided that you are a shareholder on the record date for a meeting to consider a Business Combination, you will retain the right to vote on a Business Combination when it is submitted to shareholders and the right to redeem your Public Shares for cash in the event a Business Combination is approved and completed or we have not consummated a Business Combination by the Extended Date.

Why is the Company proposing the Adjournment Proposal?

The Company is proposing the Adjournment Proposal to provide flexibility to adjourn the extraordinary general meeting to give the Company more time to seek approval of the other Proposals, if necessary or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals. If the Adjournment Proposal is not approved, the Company will not have the ability to adjourn the extraordinary general meeting to a later date for the purpose of soliciting additional proxies or because additional time is necessary to effectuate the Extension. In such event, the Extension would not be completed, the Company would cease all operations except for the purpose of winding up, the Company would redeem 100% of the outstanding Public Shares for cash and, subject to the approval of its remaining shareholders and the Board, the Company would dissolve and liquidate.

Why should I vote "FOR" the Extension Amendment Proposal?

The Board believes shareholders should have an opportunity to evaluate a Business Combination. Accordingly, the Board is proposing the Extension Amendment Proposal to amend our Articles in the form set forth in Annex A hereto to extend the date by which we must (i) consummate a Business Combination, (ii) cease our operations if we fail to complete such Business Combination, and (iii) redeem or repurchase 100% of the Public Shares sold in our IPO from September 16, 2023 to March 16, 2024 (or such earlier date as determined by the Board). The Extension would give the Company the opportunity to complete a Business Combination.

Our Articles provide that if our shareholders approve an amendment to our Articles that would affect the substance or timing of our obligation to redeem 100% of our Public Shares if we do not complete a Business Combination before September 16, 2023, we will provide our Public Shareholders with the opportunity to redeem all or a portion of their Public Shares upon such approval at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then outstanding Public Shares. We believe that these Articles provisions were included to protect our shareholders from having to sustain their investments for an unreasonably long period if we failed to find a suitable Business Combination in the timeframe contemplated by the Articles.

TABLE OF CONTENTS

The Board recommends that you vote in favor of the Extension Amendment Proposal.

Why Should I vote “FOR” the Redemption Limitation Amendment Proposal?

Our Board believes that our shareholders will benefit from eliminating the requirement that the Company have at least \$5,000,001 in tangible net assets (as determined in accordance with Rule 3a51-1(g)(1) under the Exchange Act) in order to consummate the Extension and a Business Combination. If the Redemption Limitation Amendment Proposal is not approved and there are significant requests for redemption (including as a result of the Redemption Limitation Amendment Proposal) such that the Company’s net tangible assets would be less than \$5,000,001 upon the consummation of a Business Combination, we would be unable to consummate a Business Combination.

Our Board recommends that you vote in favor of the Redemption Limitation Amendment Proposal.

Why should I vote “FOR” the nominee for director nominated by the Board?

Mr. Kudlow has served on our Board since our inception in January 2021. Our Board believes that the stability and continuity of our Board is important as we continue to search for and complete a Business Combination. Our Board recommends that you vote for the election of Mr. Kudlow.

Why should I vote “FOR” the Adjournment Proposal?

If the Adjournment Proposal is not approved by our shareholders, the Board may not be able to adjourn the extraordinary general meeting to a later date in the event that there are insufficient votes for, or otherwise in connection with, the approval of the other Proposals or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals.

What vote is required to adopt the Proposals?

- *Extension Amendment Proposal.* The approval of the Extension Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.
- *Redemption Limitation Amendment Proposal.* The approval of the Redemption Limitation Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.
- *Director Election Proposal.* The election of a director requires an ordinary resolution of the holders of the Class B ordinary shares under our Articles, being the simple majority of the votes cast by the holders of the issued Class B ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting. The Sponsor is the sole holder of all issued and outstanding Class B ordinary shares.
- *Adjournment Proposal.* If presented, the Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of a simple majority of the votes cast by the holders of the ordinary shares present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.

Shareholder approval of the Extension Amendment Proposal is required for the implementation of the Board’s plan to extend the date by which we must complete a Business Combination. Approval of the Redemption Limitation Amendment Proposal is a condition to implementing the Redemption Limitation Amendment. Additionally, the Redemption Limitation Amendment Proposal is conditioned on the approval of the Extension Amendment Proposal. The Extension Amendment Proposal, the Director Election Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the

TABLE OF CONTENTS

Extension Amendment. Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders.

What if I don't want to vote "FOR" any of the Proposals?

If you do not want the Extension Amendment Proposal or the Redemption Limitation Amendment Proposal to be approved, you may vote "**AGAINST**" such proposal. Abstentions and broker non-votes (as described below) will have no effect on such proposal. You will be entitled to redeem your Public Shares for cash in connection with this vote whether or not you vote or against, or do not vote, on these Proposals, so long as you make the Election. If the Extension Amendment Proposal is approved, and the Extension is implemented, then the Withdrawal Amount will be withdrawn from the Trust Account and paid to the redeeming holders.

If you do not want the Adjournment Proposal to be approved, you may vote "**AGAINST**" such proposal. Abstentions and broker non-votes (as described below) will have no effect on such proposal.

Pursuant to our Articles, holders of Class A ordinary shares have no right to vote on the appointment or removal of any director prior to the closing of a Business Combination. The Sponsor, the sole holder of all issued and outstanding Class B ordinary shares, intends to vote "**FOR**" the nominee for director nominated by the Board.

How do the Company insiders intend to vote their shares?

All of our directors, executive officers and their respective affiliates are expected to vote any ordinary shares over which they have voting control (including any Public Shares owned by them) in favor of the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, Larry Kudlow, the director nominee, and, if presented, the Adjournment Proposal. Currently, the Sponsor owns approximately 57.5% of our issued and outstanding ordinary shares, including 8,625,000 Founder Shares, which is 100% of the Class B ordinary shares. Accordingly, as of the Record Date, in addition to the shares held by the Sponsor, the Company would only need 1,378,935 Public Shares, or approximately 21.6% of all outstanding Public Shares, to be voted in favor of the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal and no additional Public Shares to be voted in favor of the Director Election Proposal or the Adjournment Proposal, to approve such proposals or the director nominee, assuming all outstanding ordinary shares are voted on such proposals. If only a minimum quorum, consisting of a bare majority of outstanding ordinary shares, is present at the extraordinary general meeting, in addition to the shares held by the Sponsor, the Company would not need any additional Public Shares to be voted in favor of the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the Director Election Proposal or the Adjournment Proposal to approve such proposals or the director nominee, as applicable.

In addition, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates, may purchase Public Shares in privately negotiated transactions or in the open market prior to or following the extraordinary general meeting, although they are under no obligation to do so. Such Public Shares purchased by the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates would be (a) purchased at a price no higher than the redemption price for the Public Shares, which is currently estimated to be \$10.7 per share and (b) would not be (i) voted by the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates at the extraordinary general meeting or (ii) redeemable by the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates. Any such purchases that are completed after the record date may include an agreement with a selling shareholder that such shareholder, for so long as it remains the record holder of the shares in question, will vote in favor of the Proposals to be voted upon at the extraordinary general meeting and/or will not exercise its redemption rights with respect to the shares so purchased. The purpose of such share purchases and other transactions would be to increase the likelihood that the Proposals to be voted upon at the extraordinary general meeting are approved by the requisite number of votes and to reduce the number of Public Shares that are redeemed. In the event that such purchases do occur, the purchasers may seek to purchase shares from shareholders who would otherwise have voted against the Proposals to be voted upon at the extraordinary general meeting and elected to redeem their Public Shares for a portion of the Trust Account. Any such privately negotiated purchases may be effected at purchase prices that are below or in excess of the per-share pro rata portion of the Trust Account. None of the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates may make any such purchases when they are in possession of any material non-public information not disclosed to the seller or during a restricted period under Regulation M under the Exchange Act.

TABLE OF CONTENTS

Does the Board recommend voting for the approval of the Proposals?

Yes. After careful consideration of the terms and conditions of these Proposals, the Board has determined that the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal and, if presented, the Adjournment Proposal are in the best interests of the Company and its shareholders. The Board recommends that our shareholders vote “**FOR**” the Extension Amendment Proposal, “**FOR**” the Redemption Limitation Amendment Proposal, “**FOR**” the director nominee and “**FOR**” the Adjournment Proposal, if presented.

What interests do the Sponsor and the Company’s directors and officers have in the approval of the Proposals?

The Sponsor, directors and officers have interests in the Proposals that may be different from, or in addition to, your interests as a shareholder. These interests include ownership of 8,625,000 Founder Shares (purchased for a nominal price) and 5,933,333 Private Placement Warrants (purchased for \$8,900,000) by the Sponsor, which would expire worthless if a Business Combination is not consummated. See the sections below entitled “*Proposal One – The Extension Amendment Proposal – Interests of the Sponsor and our Directors and Officers,*” and “*Proposal Two – The Redemption Limitation Amendment Proposal – Interests of the Sponsor and our Directors and Officers.*”

Do I have appraisal rights or dissenters’ rights if I object to any of the Proposals?

Our shareholders do not have appraisal rights or dissenters’ rights in connection with the Proposals under Cayman Islands law.

The Extension Amendment Proposal

When would the Board abandon the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal?

The Board will abandon the Extension Amendment and the Redemption Limitation Amendment if our shareholders do not approve the Extension Amendment Proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the Extension Amendment.

The Board will abandon the Redemption Limitation Amendment if our shareholders do not approve the Redemption Limitation Amendment Proposal.

Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders.

What happens if the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal are not approved or the Extension Amendment is approved but not implemented?

The Board will abandon the Extension Amendment and the Redemption Limitation Amendment if our shareholders do not approve the Extension Amendment Proposal.

If the Extension Amendment Proposal is not approved or if the Extension Amendment is approved but not implemented, and we do not consummate a Business Combination by September 16, 2023 in accordance with our Articles, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter redeem the Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations, if any (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of the then-outstanding Public Shares, which redemption will completely extinguish Public Shareholders’ rights as shareholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete a Business Combination by September 16, 2023. There will be no distribution from the Trust Account with respect to our warrants, which will expire worthless in the event of our winding up.

TABLE OF CONTENTS

If the Redemption Limitation Amendment Proposal is not approved and there are significant requests for redemption such that the Redemption Limitation would be exceeded, the Redemption Limitation would prevent the Company from being able to consummate the Extension or a Business Combination. If the Redemption Limitation Amendment Proposal is not approved, we will not redeem Public Shares to the extent that accepting all properly submitted redemption requests would exceed the Redemption Limitation. In the event that the Redemption Limitation Amendment Proposal is not approved and we receive notice of redemptions of Public Shares approaching or in excess of the Redemption Limitation, we and/or the Sponsor or our respective affiliates may take action to increase our net tangible assets to avoid exceeding the Redemption Limitation.

In the event of a liquidation, the Sponsor will not receive any monies held in the Trust Account as a result of its ownership of the Founder Shares or the Private Placement Warrants.

If the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal are approved, what happens next?

We are seeking the Extension Amendment to provide us time to identify, negotiate and consummate or effect a Business Combination.

Upon approval of the Extension Amendment Proposal by the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting, we will file an amendment to the Articles with the Registrar of Companies of the Cayman Islands in the form of Annex A hereto. We will remain a reporting company under the Securities Exchange Act of 1934 (the “**Exchange Act**”) and expect that our units, Public Shares and warrants included as part of the units sold in the IPO (the “**Public Warrants**”) will remain publicly traded.

If the Extension Amendment Proposal is approved, the removal of the Withdrawal Amount from the Trust Account and redemption of Public Shares will reduce the amount remaining in the Trust Account and increase the percentage interest of our ordinary shares held by the Sponsor as a result of its ownership of the Founder Shares.

If the Redemption Limitation Amendment Proposal is also approved by the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting, we will file an amendment to the Articles with the Registrar of Companies of the Cayman Islands in the form of Annex B hereto.

Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders

What happens to our warrants if the Extension Amendment Proposal is not approved, or if the Extension Amendment Proposal is approved, but the Extension is not implemented?

If the Extension Amendment Proposal is not approved, or if the Extension Amendment Proposal is approved, but the Extension is not implemented and we do not consummate a Business Combination by September 16, 2023 in accordance with our Articles, we will: (1) cease all operations except for the purpose of winding up; (2) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares, at a per share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to us to pay our income taxes, if any (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then-outstanding public shares, which redemption will completely extinguish public shareholders’ rights as shareholders (including the right to receive further liquidating distributions, if any); and (3) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and our board, liquidate and dissolve, subject to the case of clauses (2) and (3), to our obligations under Cayman Islands law to provide for claims of creditors and the requirements of other applicable law.

There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless. There will be no distribution from the Trust Account with respect to our warrants, which will expire worthless in the event of our winding up.

TABLE OF CONTENTS

What happens to our warrants if the Extension Amendment Proposal is approved and implemented?

If the Extension Amendment Proposal is approved, we will retain the blank check company restrictions previously applicable to us and continue to attempt to consummate a Business Combination until the Extended Date. The Public Warrants will remain outstanding and only become exercisable 30 days after the completion of a Business Combination, provided that we have an effective registration statement under the Securities Act covering our Class A ordinary shares issuable upon exercise of the warrants and a current prospectus relating to them is available (or we permit holders to exercise warrants on a cashless basis).

How do I redeem my Public Shares?

If the Extension is implemented, each of our Public Shareholders may seek to redeem all or a portion of their Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then outstanding Public Shares. You will also be able to redeem your Public Shares in connection with any shareholder vote to approve a Business Combination.

In order to exercise your redemption rights in connection with the implementation of the Extension, you must, prior to 5:00 p.m. Eastern time on September 13, 2023 (two business days before the initial scheduled date of the extraordinary general meeting) tender or deliver your shares (and any share certificates (if any)) physically or electronically and submit a request in writing that we redeem your Public Shares for cash to Continental, our transfer agent, at the following address:

Continental Stock Transfer & Trust Company
1 State Street Plaza, 30th Floor
New York, New York 10004
E-mail: SPACredemptions@continentalstock.com

Any request for redemption, once made, may be withdrawn at any time until the deadline for submitting redemption requests, and thereafter, with the consent of the Company. THE REDEMPTION RIGHTS INCLUDE THE REQUIREMENT THAT A HOLDER MUST IDENTIFY ITSELF IN WRITING AS A BENEFICIAL HOLDER AND PROVIDE ITS LEGAL NAME, PHONE NUMBER AND ADDRESS IN ORDER TO VALIDLY REDEEM ITS SHARES.

Information about the extraordinary general meeting

How do I attend the extraordinary general meeting?

As a registered shareholder, you received a proxy card from Broadridge Financial Solutions, Inc (“**Broadridge**”). The form contains instructions on how to attend the extraordinary general meeting including the URL address, www.virtualshareholdermeeting.com/ROSS2023SM2, along with your control number. You will need your control number for access. If on the Record Date, your shares were held not in your name, but rather in an account at a brokerage firm, custodian bank, or other nominee, then you are the beneficial owner of shares held in “**street name**,” and you will need to contact your brokerage firm, custodian bank, or other nominee, to obtain a legal proxy and control number for access.

How do I change or revoke my vote after I have voted?

You may change your vote at any time until 11:59 p.m. Eastern Time the day before the extraordinary general meeting by logging into www.proxyvote.com with your control number or by calling the 1-800 number indicated on your proxy card. If you wish to change or revoke your vote by mail, you must mark, sign and date your proxy card, and return it in the postage-paid envelope we have provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Please note, however, that if on the Record Date, your shares were held in street name, then these proxy materials have been forwarded to you by your brokerage firm, custodian bank, or other nominee, and you must follow their instructions or contact them to change or revoke your vote.

How are votes counted?

Votes will be counted by the inspector of election appointed for the extraordinary general meeting, who will separately count “FOR” and “AGAINST” votes, “ABSTAIN” and broker non-votes. The approval of each of the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal requires a special resolution,

TABLE OF CONTENTS

being the affirmative vote of the holders of at least two-thirds (2/3) of the then-issued and outstanding ordinary shares who are present in person or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting. Approval of a director nominee requires an ordinary resolution of holders of Class B ordinary shares under our Articles, being the affirmative vote of at least a majority of the votes cast by the holders of the issued Class B ordinary shares who are present in person or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting. The Sponsor is the sole holder of all issued and outstanding Class B ordinary shares. Approval of the Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of at least a majority of the votes cast by the holders of the issued ordinary shares who are present in person or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.

Shareholder approval of the Extension Amendment Proposal is required for the implementation of the Board's plan to extend the date by which we must complete a Business Combination. Approval of the Redemption Limitation Amendment Proposal is a condition to implementing the Redemption Limitation Amendment. Additionally, the Redemption Limitation Amendment Proposal is conditioned on the approval of the Extension Amendment Proposal. The Extension Amendment Proposal, the Director Election Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the Extension Amendment. Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders.

Shareholders who attend the extraordinary general meeting, either in person or by proxy (or, if a corporation or other non-natural person, by sending their duly authorized representative or proxy), will be counted (and the number of ordinary shares held by such shareholders will be counted) for the purposes of determining whether a quorum is present at the extraordinary general meeting. The presence, in person or by proxy or by duly authorized representative, at the extraordinary general meeting of the holders of a majority of all issued and outstanding ordinary shares entitled to vote at the extraordinary general meeting shall constitute a quorum for the extraordinary general meeting.

At the extraordinary general meeting, only those votes which are actually cast, either "FOR" or "AGAINST," the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, or the Adjournment Proposal, will be counted for the purposes of determining whether the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, or the Adjournment Proposal (as the case may be) are approved, and any ordinary shares which are not voted at the extraordinary general meeting will have no effect on the outcome of such votes.

Abstentions and broker non-votes will be considered present for the purposes of establishing a quorum but, as a matter of Cayman Islands law, will not constitute votes cast at the extraordinary general meeting and therefore will have no effect on the approval of each of the Proposals as a matter of Cayman Islands law.

If my shares are held in "street name," will my broker automatically vote them for me?

No. Under the rules of various national and regional securities exchanges, your broker, bank, or nominee cannot vote your shares with respect to non-discretionary matters unless you provide instructions on how to vote in accordance with the information and procedures provided to you by your broker, bank, or nominee.

We believe the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the Director Election Proposal and the Adjournment Proposal, if presented, will be considered non-discretionary, and therefore your broker, bank, or nominee cannot vote your shares without your instruction on these proposals. Consequently, your bank, broker, or other nominee can vote your shares for these proposals only if you provide instructions on how to vote. You should instruct your broker to vote your shares in accordance with directions you provide. If your shares are held in street name, you may need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares.

TABLE OF CONTENTS

How many votes must be present to hold the extraordinary general meeting?

A quorum of our shareholders is necessary to hold a valid meeting. The presence (which would include presence at the virtual extraordinary general meeting), in person or by proxy, of shareholders holding a majority of the ordinary shares entitled to vote at the extraordinary general meeting constitutes a “**quorum**.”

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee), attend in person or if you vote online at the extraordinary general meeting. Abstentions will be counted towards the quorum requirement. In the absence of a quorum, the chairman of the extraordinary general meeting has the power to adjourn the extraordinary general meeting. As of the Record Date for the extraordinary general meeting, 7,502,952 ordinary shares would be required to achieve a quorum.

All of our directors, executive officers and their respective affiliates are expected to vote any ordinary shares over which they have voting control (including any Public Shares owned by them) in favor of the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the director nominee, and, if presented, the Adjournment Proposal. Currently, the Sponsor owns approximately 57.5% of our issued and outstanding ordinary shares, including 8,625,000 Founder Shares. Accordingly, no additional Public Shares will need to be present for a quorum.

Who can vote at the extraordinary general meeting?

Only holders of record of our ordinary shares at the close of business on the Record Date, August 28, 2023, are entitled to have their vote counted at the extraordinary general meeting and any adjournments or postponements thereof. On this Record Date, 6,380,902 Class A ordinary shares and 8,625,000 Class B ordinary shares were outstanding and entitled to vote.

What is the difference between a shareholder of record and a beneficial owner of shares held in street name?

- *Shareholder of Record:* Shares Registered in Your Name. If on the Record Date your ordinary shares were registered directly in your name with our transfer agent, Continental, then you are a “shareholder of record.”
- *Beneficial Owner:* Shares Registered in the Name of a Broker or Bank. If on the Record Date your ordinary shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the “beneficial owner” of ordinary shares held in street name and these proxy materials are being forwarded to you by that organization.

What is the proxy card?

The proxy card enables you to appoint each of Wilbur L. Ross, Jr., our President, Chief Executive Officer and Chairman of the board, and Stephen J. Toy, our Chief Financial Officer, as your representatives at the extraordinary general meeting. By completing and returning the proxy card, you are authorizing Wilbur L. Ross, Jr. and Stephen J. Toy to vote your ordinary shares at the extraordinary general meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the extraordinary general meeting. Even if you plan to attend the extraordinary general meeting, it is strongly recommended that you complete and return your proxy card before the extraordinary general meeting date in case your plans change. If a proposal comes up for vote at the extraordinary general meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

Brokers are prohibited from exercising discretionary authority on non-routine matters. The Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the Director Election Proposal and the Adjournment Proposal are considered non-routine matters. Therefore, brokers cannot exercise discretionary authority regarding these proposals for beneficial owners who have not returned proxies to the brokers (so-called “**broker non-votes**”).

How can I vote if I am a shareholder of record?

- *Online.* If you are a shareholder of record, you may vote online at the extraordinary general meeting.

TABLE OF CONTENTS

- *By Mail.* You may vote by proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage paid envelope.

Whether or not you plan to attend the extraordinary general meeting online, we urge you to vote by proxy to ensure your vote is counted. You may still attend the extraordinary general meeting and vote online if you have already voted by proxy.

How can I vote if I am a beneficial owner of shares held in street name?

- *Online at the extraordinary general meeting.* If you are a beneficial owner of shares held in street name and you wish to vote online at the extraordinary general meeting, you must obtain a legal proxy from the brokerage firm, bank, broker-dealer or other similar organization that holds your shares. Please contact that organization for instructions regarding obtaining a legal proxy.
- *By mail.* You may vote by proxy by filling out the vote instruction form and sending it back in the envelope provided by your brokerage firm, bank, broker-dealer or other similar organization that holds your shares.
- *By telephone or over the Internet.* You may vote by proxy by submitting your proxy by telephone or over the Internet (if those options are available to you) in accordance with the instructions on the enclosed proxy card or voting instruction card. This is allowed if you hold shares in street name and your bank, broker or other nominee offers those alternatives. Although most banks, brokers and other nominees offer these voting alternatives, availability and specific procedures vary.

You are also invited to attend the extraordinary general meeting. For more information, see the subsection above entitled “—*How do I attend the extraordinary general meeting?*”

What happens if I do not indicate how to vote my proxy?

If you sign your proxy card without providing further instructions, your ordinary shares will be voted “FOR” the Proposals.

How many votes do I have?

Each Class A ordinary share and Class B ordinary share is entitled to one vote on each matter that comes before the extraordinary general meeting. See the section below entitled “*Beneficial Ownership of Securities*” for information about the stock or share holdings of the Sponsor, directors and executive officers.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying shareholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

What do I need to do now?

We urge you to read carefully and consider the information contained in this Proxy Statement, including the annexes, and to consider how the Proposals will affect you as our shareholder. You should then vote as soon as possible in accordance with the instructions provided in this Proxy Statement and on the enclosed proxy card.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards, if your shares are registered in more than one name or are registered in different accounts. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast a vote with respect to all of your ordinary shares.

Where do I find the voting results of the extraordinary general meeting?

We will announce preliminary voting results at the extraordinary general meeting. The final voting results will be tallied by the inspector of election and published in the Company’s Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the extraordinary general meeting.

FORWARD-LOOKING STATEMENTS

Some of the statements contained in this Proxy Statement constitute forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements that are other than statements of historical facts. No representations or warranties, express or implied are given in, or in respect of, this Proxy Statement. When we use words such as “may,” “will,” “intend,” “should,” “believe,” “expect,” “anticipate,” “project,” “estimate” or similar expressions that do not relate solely to historical matters, it is making forward-looking statements.

These forward-looking statements and factors that may cause actual results to differ materially from current expectations include, but are not limited to:

- our ability to identify a target, negotiate and complete a Business Combination;
- the anticipated benefits of any Business Combination;
- expectations with respect to future operating and financial performance and growth, including the timing of the completion of a Business Combination;
- plans, intentions or future operations of our successor following a Business Combination, including our successor’s ability to execute on their business plans and strategy;
- the volatility of the market price and liquidity of our securities;
- the ability to meet stock exchange listing standards following the redemption in connection with the Extension, if the Extension is approved by our shareholders;
- the use of proceeds not held in the Trust Account or available to us from interest income on the Trust Account balance;
- our potential ability to obtain additional financing, if needed, to complete a Business Combination;
- the competitive environment in which our successor will operate following a Business Combination;
- proposed changes in SEC rules related to special purpose acquisition companies (“SPACs”);
- our ability to continue as a going concern;
and
- other risks and uncertainties described from time to time in filings with the SEC.

The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described under the heading “Risk Factors” and elsewhere in this Proxy Statement, and under the heading “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2022, as amended, our subsequently filed Quarterly Reports on Form 10-Q, and any other documents filed by the Company with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. There may be additional risks that the Company does not presently know, or that the Company currently believe are immaterial, that could cause actual results to differ from those contained in the forward-looking statements. For these reasons, among others, investors and other interested persons are cautioned not to place undue reliance upon any forward-looking statements in this Proxy Statement. The Company does not undertake any obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date of this Proxy Statement, except as required by applicable law.

RISK FACTORS

You should consider carefully all of the risks described in our (i) IPO prospectus, (ii) Annual Report on Form 10-K for the year ended December 31, 2022, as filed with the SEC on April 6, 2023, (iii) Quarterly Reports on Form 10-Q for the quarters ended March 31, as filed with the SEC on May 23, 2023, and (iv) other reports we file with the SEC, before making a decision to invest in our securities. Furthermore, if any of the following events occur, our business, financial condition and operating results may be materially adversely affected or we could face liquidation. In that event, the trading price of our securities could decline, and you could lose all or part of your investment. The risks and uncertainties described in the aforementioned filings and below are not the only ones we face. Additional risks and uncertainties that we are unaware of, or that we currently believe are not material, may also become important factors that adversely affect our business, financial condition and operating results or result in our liquidation.

There are no assurances that the Extension will enable us to complete a Business Combination.

Approving the Extension involves a number of risks. Even if the Extension is approved and implemented, the Company can provide no assurances that a Business Combination will be consummated prior to the Extended Date. Our ability to consummate a Business Combination is dependent on a variety of factors, many of which are beyond our control. If the Extension is approved and implemented, the Company expects to seek shareholder approval of a Business Combination. We are required to offer Public Shareholders the opportunity to redeem Public Shares in connection with the Extension Amendment, and we will be required to offer Public Shareholders redemption rights again in connection with any shareholder vote to approve a Business Combination. Even if the Extension and a Business Combination are approved by our shareholders, it is possible that redemptions will leave us with insufficient cash to consummate a Business Combination on commercially acceptable terms, or at all. The fact that we will have separate redemption periods in connection with the Extension or a Business Combination vote could exacerbate these risks. Other than in connection with a redemption offer or liquidation, our shareholders may be unable to recover their investment except through sales of our shares on the open market. The price of our shares may be volatile, and there can be no assurance that shareholders will be able to dispose of our shares at favorable prices, or at all.

If we are deemed to be an “investment company” for purposes of the Investment Company Act, we would be required to institute burdensome compliance requirements and our activities would be severely restricted. As a result, in such circumstances, unless we are able to modify our activities so that we would not be deemed an investment company, we may abandon our efforts to complete a Business Combination and instead liquidate the Company.

If we are deemed to be an investment company under the Investment Company Act of 1940 (the “**Investment Company Act**”), our activities may be restricted, including:

- restrictions on the nature of our investments;
and
- restrictions on the issuance of securities, each of which may make it difficult for us to complete an Initial Business Combination.

In addition, we may have imposed upon us burdensome requirements, including:

- registration as an investment company with the SEC;
- adoption of a specific form of corporate structure;
and
- reporting, record keeping, voting, proxy and disclosure requirements and other rules and regulations that we are currently not subject to.

In order not to be regulated as an investment company under the Investment Company Act, unless we can qualify for an exclusion, we must ensure that we are engaged primarily in a business other than investing, reinvesting or trading of securities and that our activities do not include investing, reinvesting, owning, holding or trading “investment securities” constituting more than 40% of our assets (exclusive of U.S. government securities and cash items) on an unconsolidated basis. Our business is to identify and complete an Initial Business Combination and thereafter to operate the post-transaction business or assets for the long term. We do not plan to buy businesses or assets with a view to resale or profit from their resale. We do not plan to buy unrelated businesses or assets or to be a passive investor.

We do not believe that our current and anticipated principal activities subject us to the Investment Company Act. To this end, the proceeds held in the Trust Account may only be held as cash, or invested in United States

TABLE OF CONTENTS

“government securities” within the meaning of Section 2(a)(16) of the Investment Company Act having a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act which invest only in direct U.S. government treasury obligations. Pursuant to the trust agreement, the trustee is not permitted to invest in other securities or assets. By restricting the investment of the proceeds to these instruments or by holding the proceeds as cash, and by having a business plan targeted at acquiring and growing businesses for the long term (rather than on buying and selling businesses in the manner of a merchant bank or private equity fund), we intend to avoid being deemed an “investment company” within the meaning of the Investment Company Act. If we do not invest the proceeds as discussed above, we may be deemed to be subject to the Investment Company Act.

However, even if we invest the proceeds in United States “government securities” within the meaning of Section 2(a)(16) of the Investment Company Act having a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act which invest only in direct U.S. government treasury obligations, we may be deemed to be an investment company. The longer that the funds in the Trust Account are held in short-term U.S. government securities or in money market funds invested exclusively in such securities, the greater the risk that we may be considered an unregistered investment company, in which case we may be required to liquidate.

As described further below, on March 30, 2022, the SEC issued proposed rules (the “**SPAC Rule Proposals**”) relating, among other matters, to a proposed safe harbor for SPACs such as the Company from the definition of an “investment company” under Section 3(a)(1)(A) of the Investment Company Act, provided that a SPAC satisfies certain criteria, including a limited time period to announce and complete a de-SPAC transaction. Specifically, to fall within the safe harbor, the SPAC Rule Proposals would require a company to file a report on Form 8-K announcing that it has entered into an agreement with a target company for a business combination no later than 18 months after the effective date of its registration statement for its initial public offering (the “**IPO Registration Statement**”). The company would then be required to complete its initial business combination no later than 24 months after the effective date of the IPO Registration Statement. As we have not completed an Initial Business Combination within 24 months after the effective date of our IPO Registration Statement, we would not be able to rely upon this safe harbor.

If we are deemed to be an investment company under the Investment Company Act, our activities would be severely restricted. In addition, we would be subject to burdensome compliance requirements. If we are deemed to be an investment company and subject to registration under, compliance with and regulation under the Investment Company Act, we would be subject to additional regulatory burdens and expenses for which we have not allotted funds. As a result, unless we are able to modify our activities so that we would not be deemed an investment company, we may abandon our efforts to complete an Initial Business Combination and instead liquidate the Company. Were we to liquidate, our warrants would expire worthless, and our securityholders would lose the investment opportunity associated with an investment in the combined company, including any potential price appreciation of our securities.

The SEC has issued proposed rules relating to certain activities of SPACs. Certain of the procedures that we, any potential Business Combination target, or others may determine to undertake in connection with such proposals may increase our costs and the time needed to complete an Initial Business Combination and may constrain the circumstances under which we could complete an Initial Business Combination. The need for compliance with the SPAC Rule Proposals may cause us to liquidate the funds in the Trust Account or liquidate the Company at an earlier time than we might otherwise choose.

As described above, on March 30, 2022, the SEC issued the SPAC Rule Proposals relating, among other things, to disclosures in SEC filings in connection with business combination transactions between SPACs such as us and private operating companies; the financial statement requirements applicable to transactions involving shell companies; the use of projections by SPACs in SEC filings in connection with proposed business combination transactions; the potential liability of certain participants in proposed business combination transactions; and the extent to which SPACs could become subject to registration and regulation under the Investment Company, including a proposed rule that would provide SPACs a safe harbor from treatment as an investment company if they satisfy certain conditions that limit a SPAC’s duration, asset composition, business purpose and activities. The SPAC Rule Proposals have not yet been adopted and, if adopted, may be adopted in the proposed form or in a different form that could impose additional regulatory requirements on SPACs. Certain of the procedures that we, or any potential Initial Business Combination target, or others may determine to undertake in connection with the SPAC Rule Proposals, or pursuant to the SEC’s views expressed in the SPAC Rule Proposals, may increase the costs and time of negotiating

TABLE OF CONTENTS

and completing an Initial Business Combination and may constrain the circumstances under which we could complete a Business Combination. The need for compliance with the SPAC Rule Proposals may cause us to liquidate the funds in the Trust Account or liquidate the Company at an earlier time than we might otherwise choose. Were we to liquidate, our warrants would expire worthless, and our securityholders would lose the investment opportunity associated with an investment in the combined company, including any potential price appreciation of our securities.

To mitigate the risk that we might be deemed to be an investment company for purposes of the Investment Company Act, we have instructed Continental, the trustee, to liquidate the investments held in the Trust Account and instead to hold the funds in the Trust Account in an interest bearing demand deposit account until the earlier of the consummation of an Initial Business Combination or our liquidation. Following the liquidation of investments in the Trust Account, we receive reduced interest, if any, on the funds held in the Trust Account, which reduces the dollar amount our Public Shareholders would receive upon any redemption or liquidation of the Company.

The funds in the Trust Account were, from our IPO until the end of March 2023, held only in U.S. government treasury obligations with a maturity of 185 days or less or in money market funds investing solely in U.S. government treasury obligations and meeting certain conditions under Rule 2a-7 under the Investment Company Act. However, the longer that the funds in the Trust Account are held in short-term U.S. government securities or in money market funds invested exclusively in such securities, the greater the risk that we may be considered an unregistered investment company, in which case we may be required to liquidate. To mitigate the risk of us being deemed to be an unregistered investment company (including under the subjective test of Section 3(a)(1)(A) of the Investment Company Act) and thus subject to regulation under the Investment Company Act, we instructed Continental, the trustee with respect to the Trust Account, to liquidate the U.S. government treasury obligations or money market funds held in the Trust Account and thereafter to hold all funds in the Trust Account in an interest bearing demand deposit account at a bank until the earlier of the consummation of our Initial Business Combination or the liquidation of the Company. Following such liquidation, we receive reduced interest, if any, on the funds held in the Trust Account. However, interest previously earned on the funds held in the Trust Account still may be released to us to pay our taxes, if any, and certain other expenses as permitted. As a result, our decision to liquidate the investments held in the Trust Account and thereafter to hold all funds in the Trust Account in an interest bearing demand deposit at a bank is reduces the dollar amount our Public Shareholders would receive upon any redemption or liquidation of the Company.

We may not be able to complete a Business Combination if the proposed transaction is subject to review or approval by regulatory authorities pursuant to certain U.S. or foreign laws or regulations.

Certain acquisitions or business combinations may be subject to review or approval by regulatory authorities pursuant to certain U.S. or foreign laws or regulations. In the event that such regulatory approval or clearance is not obtained, or the review process is extended beyond the period of time that would permit an Initial Business Combination to be consummated with us, we may not be able to consummate a Business Combination with such target. In addition, regulatory considerations may decrease the pool of potential target companies we may be willing or able to consider.

In the United States, certain mergers that may affect competition may require certain filings and review by the Department of Justice and the Federal Trade Commission, and investments or acquisitions that may affect national security are subject to review by the Committee on Foreign Investment in the United States (“CFIUS”). CFIUS is an interagency committee authorized to review certain transactions involving foreign investment in the United States by foreign persons in order to determine the effect of such transactions on the national security of the United States.

Outside the United States, laws or regulations may affect our ability to consummate a Business Combination with potential target companies incorporated or having business operations in jurisdictions where national security considerations, involvement in regulated industries (including telecommunications), or in businesses where a country’s culture or heritage may be implicated.

U.S. and foreign regulators generally have the power to deny the ability of the parties to consummate a transaction or to condition approval of a transaction on specified terms and conditions, which may not be acceptable to us or a target. In such event, we may not be able to consummate a transaction with that potential target.

As a result of these various restrictions, the pool of potential targets with which we could complete a Business Combination may be limited, and we may be adversely affected in terms of competing with other SPACs that do not

have similar ownership issues. Moreover, the process of government review, whether by CFIUS or otherwise, could be lengthy. Because we have only a limited time to complete a Business Combination, our failure to obtain any required approvals within the requisite time period may require us to liquidate. Were we to liquidate the Company, our warrants would expire worthless, and our securityholders would lose the investment opportunity associated with an investment in the combined company, including any potential price appreciation of our securities.

The Company's ability to complete an Initial Business Combination with a U.S. target company may be impacted if such Business Combination is subject to U.S. foreign investment regulations and review by a U.S. government entity, such as CFIUS, and ultimately prohibited.

The Sponsor, Ross Holding Company LLC, is a Cayman Islands limited liability company. Although entities organized in non-U.S. jurisdictions such as the Cayman Islands are sometimes considered "foreign persons" under the regulations administered by CFIUS, the Company believes the Sponsor would not be considered a foreign person because it is ultimately controlled and majority-owned by U.S. nationals.

In the event the Sponsor is considered a foreign person, however, the Company could also be considered a foreign person and would continue to be considered as such in the future for so long as the Sponsor has the ability to exercise control over the Company for purposes of CFIUS's regulations. The Company could likewise be considered a foreign person if a foreign investor acquires a significant interest in the Company and is viewed as having the ability to exercise control over the Company. As such, an Initial Business Combination with a U.S. business may be subject to CFIUS review, the scope of which includes controlling investments as well as certain non-passive, non-controlling investments in sensitive U.S. businesses and certain acquisitions of real estate even with no underlying U.S. business. If the Company's potential Initial Business Combination with a U.S. business falls within CFIUS's jurisdiction, the Company may determine that it is required to make a mandatory filing or that it will submit a voluntary filing to CFIUS, or to proceed with the Initial Business Combination without notifying CFIUS and risk CFIUS intervention, before or after closing the Initial Business Combination. CFIUS may decide to delay the Initial Business Combination, impose conditions to mitigate national security concerns with respect to such Initial Business Combination or recommend that the U.S. president block the Initial Business Combination or order the Company to divest all or a portion of a U.S. business of the combined company, which may limit the attractiveness of or prevent the Company from pursuing certain Initial Business Combination opportunities that it believes would otherwise be beneficial to the Company and its shareholders. As a result, the pool of potential targets with which the Company could complete an Initial Business Combination may be impacted, and it may be adversely affected in terms of competing with other special purpose acquisition companies which do not have similar foreign ownership issues.

Moreover, the process of government review, whether by the CFIUS or otherwise, could be lengthy and the Company has limited time to complete its Initial Business Combination. If the Company cannot complete its Initial Business Combination by September 16, 2023 or by March 16, 2024, if the Extension is approved, or such later date that may be approved by the Company's shareholders, because the review process extends beyond such timeframe or because the Initial Business Combination is ultimately prohibited by CFIUS or another U.S. government entity, the Company may be required to liquidate. If the Company liquidates, its Public Shareholders may only receive approximately \$10.74 per Public Share (based on the amount held in the Trust Account as of the Record Date (including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes), and assuming the Extension is not approved), and the Company's warrants will expire worthless. This will also cause you to lose the investment opportunity associated with an investment in the combined company, including any potential price appreciation of our securities.

The ability of our Public Shareholders to exercise redemption rights if the Extension Amendment Proposal is approved with respect to a large number of our Public Shares may adversely affect the liquidity of our securities.

Pursuant to our Articles, a Public Shareholder may request that the Company redeem all or a portion of such Public Shareholder's Public Shares for cash if the Extension Amendment Proposal is approved and the Extension is implemented. The ability of our Public Shareholders to exercise such redemption rights with respect to a large number of our Public Shares may adversely affect the liquidity of our Class A ordinary shares. As a result, you may be unable to sell your Class A ordinary shares even if the per-share market price is higher than the per-share redemption price paid to Public Shareholders that elect to redeem their Public Shares if the Extension Amendment Proposal is approved.

TABLE OF CONTENTS

The NYSE (as defined below) may delist our securities from trading on its exchange following redemptions by our shareholders in connection with approval of the Extension Amendment Proposal which could limit investors' ability to make transactions in our securities and subject us to additional trading restrictions.

Our Class A ordinary shares, units and warrants are listed on the New York Stock Exchange (the "NYSE"). Although we expect to continue to meet NYSE listing standards, we cannot assure you that our securities will continue to be listed on the NYSE in the future, following the Extension or prior a Business Combination. In order to continue listing our securities on the NYSE prior to a Business Combination, we must maintain certain financial, distribution and share price levels. In general, we must maintain a minimum number of holders of our securities. Additionally, in connection with a Business Combination, we will be required to demonstrate compliance with the NYSE's initial listing requirements, which are more rigorous than the NYSE's continued listing requirements, in order to continue to maintain the listing of our securities on the NYSE. For instance, our share price would generally be required to be at least \$4 per share, our aggregate market value would be required to be at least \$100,000,000, and the market value of our publicly held shares would be required to be at least \$80,000,000. We cannot assure you that we will be able to meet those initial listing requirements at that time. If the NYSE delists any of our securities from trading on its exchange and we are not able to list such securities on another national securities exchange, we expect such securities could be quoted on an over-the-counter market. If this were to occur, we could face significant material adverse consequences, including:

- a limited availability of market quotations for our securities;
- reduced liquidity for our securities;
- a determination that our Class A ordinary share is a "penny stock" which will require brokers trading in our Class A ordinary share to adhere to more stringent rules and possibly result in a reduced level of trading activity in the secondary trading market for our securities;
- a limited amount of news and analyst coverage;
and
- a decreased ability to issue additional securities or obtain additional financing in the future.

The National Securities Markets Improvement Act of 1996, which is a federal statute, prevents or preempts the states from regulating the sale of certain securities, which are referred to as "covered securities." Our Class A ordinary shares, units and warrants qualify as covered securities under such statute. Although the states are preempted from regulating the sale of covered securities, the federal statute does allow the states to investigate companies if there is a suspicion of fraud, and, if there is a finding of fraudulent activity, then the states can regulate or bar the sale of covered securities in a particular case. While we are not aware of a state having used these powers to prohibit or restrict the sale of securities issued by special purpose acquisition companies, certain state securities regulators view blank check companies unfavorably and might use these powers, or threaten to use these powers, to hinder the sale of securities of blank check companies in their states. Further, if we were no longer listed on the NYSE, our securities would not qualify as covered securities under such statute and we would be subject to regulation in each state in which we offer our securities.

The Sponsor and our Directors and Officers have interests in the proposals that may conflict with those of other shareholders in recommending that shareholders vote in favor of approval of the Proposals in this Proxy Statement.

The Sponsor and our directors and officers have interests in the Proposals that may conflict with those of other shareholders in recommending that shareholders vote in favor of approval of the Proposals. For example, our initial shareholders have agreed to waive their redemption rights with respect to their Founder Shares and Public Shares, as applicable, in connection with a shareholder vote to approve the Extension Amendment Proposal. In addition, they have agreed to waive their right to receive liquidating distributions from the Trust Account with respect to any Founder Shares they hold if the Company fails to consummate a Business Combination by the Extended Date. As a result, Founder Shares held by the Sponsor and options to purchase Founder Shares held by the Company's independent directors will be worthless, as will the Private Placement Warrants held by the Sponsor, if the Extension Amendment Proposal is not approved and we do not consummate a Business Combination by September 16, 2023.

TABLE OF CONTENTS

These interests may influence our directors in making their recommendation that you vote in favor of the approval of the Proposals described in this Proxy Statement. You should take these interests into account in deciding whether to vote in favor of such Proposals. You should also read the sections entitled “*Proposal One – The Extension Amendment Proposal – Interests of the Sponsor, Directors and Officers*” and “*Directors, Executive Officers and Corporate Governance – Conflicts of Interest*”.

Our Sponsor holds all of our outstanding Class B ordinary shares and as a result, controls the outcome of the Director Election Proposal, as only as only holders of our Class B ordinary shares have the right to vote on the election of directors and to remove directors prior to an Initial Business Combination and will exert a substantial influence on other actions requiring a shareholder vote, potentially in a manner that shareholders do not support.

Our Sponsor owns, on an as-converted basis, 57.5% of our issued and outstanding ordinary shares, including 8,625,000 Founder Shares, which is 100% of the Class B ordinary shares. Accordingly, our Sponsor controls the outcome of the Director Election Proposal, as only as only holders of our Class B ordinary shares have the right to vote on the election of directors and to remove directors prior to an Initial Business Combination. Our Sponsor plans to vote in favor of the election of the director nominee. Our Sponsor will also exert a substantial influence on other actions requiring a shareholder vote, potentially in a manner that shareholders do not support, including amendments to our Articles. For example, our Sponsor intends to vote in favor of both the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal. As a result, as of the Record Date, in addition to the shares held by the Sponsor, the Company would only need 1,378,935 Public Shares, or approximately 21.6% of all outstanding Public Shares, to be voted in favor of the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal.

If our Sponsor purchases any additional Class A ordinary shares in the aftermarket or in privately negotiated transactions, although it is under no obligation to do so, this would increase its control. Such Public Shares purchased by the Sponsor would be (a) purchased at a price no higher than the redemption price for the Public Shares, which is currently estimated to be \$10.74 per share and (b) would not be (i) voted by the Sponsor at the extraordinary general meeting or (ii) redeemable by the Sponsor. Any such purchases that are completed after the Record Date may include an agreement with a selling shareholder that such shareholder, for so long as it remains the record holder of the shares in question, will vote in favor of the Proposals to be voted upon at the extraordinary general meeting and/or will not exercise its redemption rights with respect to the shares so purchased. The purpose of such share purchases and other transactions would be to increase the likelihood that the Proposals to be voted upon at the extraordinary general meeting are approved by the requisite number of votes and to reduce the number of Public Shares that are redeemed. In the event that such purchases do occur, the purchasers may seek to purchase shares from shareholders who would otherwise have voted against the Proposals to be voted upon at the extraordinary general meeting and elected to redeem their Public Shares for a portion of the Trust Account. Any such privately negotiated purchases may be effected at purchase prices that are below or in excess of the per-share pro rata portion of the Trust Account. None of the Company, the Sponsor, the Company’s directors, the Company’s officers or any of their respective affiliates may make any such purchases when they are in possession of any material non-public information not disclosed to the seller or during a restricted period under Regulation M under the Exchange Act.

A new 1% U.S. federal excise tax could be imposed on us in connection with certain future redemptions by us of our shares.

On August 16, 2022, the Inflation Reduction Act of 2022 (the “**IR Act**”) was signed into federal law. The IR Act provides for, among other things, a new U.S. federal 1% excise tax on certain repurchases (including redemptions) of stock by publicly traded U.S. corporations and certain U.S. subsidiaries of publicly traded foreign corporations. The excise tax applies to repurchases occurring after December 31, 2022. The excise tax is imposed on the repurchasing corporation itself, not its shareholders from which shares are repurchased. The amount of the excise tax is generally 1% of the fair market value of the shares repurchased at the time of the repurchase. The U.S. Department of Treasury has been given authority to provide regulations and other guidance to carry out, and prevent the abuse or avoidance of, the excise tax; however, no guidance has been issued to date. With respect to redemptions that occur in connection with the Extension or redemptions that occur under the circumstance where our Initial Business Combination is not with a U.S. corporation, because such redemptions would occur when we are not a U.S. corporation, such redemptions generally would not cause us to be subject to the excise tax.

Absent the issuance of applicable guidance to the contrary, with respect to redemptions that occur in connection with a Business Combination with a U.S. corporation, because the Company might be domesticated as a U.S.

TABLE OF CONTENTS

corporation and its securities are expected to trade on NYSE at the time shareholders exercise their redemption rights with respect to the Public Shares in connection with the Company's Initial Business Combination, it is possible that the Company may be subject to the excise tax with respect to redemptions that are treated as repurchases for this purpose if the redemption in connection with such Business Combination occurs on a date after December 31, 2022. However, for purposes of calculating the excise tax, repurchasing corporations are permitted to net the fair market value of certain new stock issuances against the fair market value of stock repurchases during the same taxable year, thereby reducing the amount of excise tax imposed with respect to repurchases of stock by a repurchasing corporation. The per-share redemption amount payable from the Trust Account (including any interest earned on the funds held in the Trust Account) to public shareholders in connection with a redemption is not expected to be reduced by any Excise Tax imposed on us. The imposition of the Excise Tax on us could, however, cause a reduction in the cash available on hand to complete our Business Combination and may affect our ability to complete our Business Combination or fund future operations.

BACKGROUND

We are a blank check company incorporated as a Cayman Islands exempted company on January 19, 2021. We were formed for the purpose of effecting a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses.

The Sponsor is Ross Holding Company LLC, a Cayman Islands limited liability company. The registration statement for the IPO was declared effective on March 11, 2021. On March 16, 2021, we consummated the IPO of 34,500,000 units, including 4,500,000 additional units to cover over-allotments, at \$10.00 per unit, generating gross proceeds of \$345.0 million, and incurring offering costs of approximately \$19.9 million, of which approximately \$12.1 million was for deferred underwriting commissions.

Simultaneously with the closing of the IPO, we consummated the private placement of 5,933,333 Private Placement Warrants at a price of \$1.50 per warrant with the Sponsor, generating gross proceeds of \$8.9 million.

Upon the closing of the IPO and the private placement, \$345.0 million (\$10.00 per unit) of the net proceeds of the IPO and certain of the proceeds of the private placement were placed in the trust account, located in the United States with Continental acting as trustee, and has been invested only in U.S. “government securities” within the meaning of Section 2(a)(16) of the Investment Company Act, having a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act which invest only in direct U.S. government treasury obligations, as determined by us, until the earlier of: (i) the completion of a business combination and (ii) the distribution of the trust account as described below.

Like most blank check companies, our Articles provide for the return of the IPO proceeds held in the trust account to the holders of ordinary shares sold in the IPO if there is no qualifying Business Combination(s) consummated on or before a certain date. In our case such certain date was March 16, 2023, under our amended and restated articles of association dated March 16, 2021 (the “**Prior Articles**”), at the time of our IPO. On March 13, 2023, we held an extraordinary general meeting of shareholders (the “**first extension meeting**”), at which our shareholders voted and approved to amend our Prior Articles, which became our current Articles, to extend the date by which we must consummate a Business Combination from March 16, 2023 to September 16, 2023. In connection with the first extension meeting, a total of 28,119,098 Public Shares were presented for redemption for an aggregate redemption amount of approximately \$287.7 million. As of the Record Date, the Company has approximately \$68.6 million of cash remaining in the Trust Account.

If the Extension Amendment Proposal is not approved, or if the Extension Amendment Proposal is approved, but the Extension is not implemented, and we do not consummate a Business Combination by September 16, 2023 in accordance with our Articles, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter redeem the Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations, if any (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of the then-outstanding Public Shares, which redemption will completely extinguish Public Shareholders’ rights as shareholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete a Business Combination by September 16, 2023, 30 months from the closing of the IPO. In the event of a liquidation, the Sponsor will not receive any monies held in the Trust Account as a result of their ownership of the Founder Shares or the Private Placement Warrants.

Our units, Class A ordinary shares and warrants are registered under the Exchange Act and we have reporting obligations, including the requirement that we file annual, quarterly and current reports with the SEC. The SEC’s internet site (<http://www.sec.gov>) contains such reports, proxy and information statements and other information regarding issuers that file electronically with the SEC. In accordance with the requirements of the Exchange Act, our annual reports contain financial statements audited and reported on by our independent registered public accounting firm.

Our executive offices are located at 1 Pelican Lane, Palm Beach, FL 33480 and our telephone number is (561) 655-2615. Our corporate website address is www.rossacquisition2.com. Our website and the information contained on, or that can be accessed through, the website is not deemed to be incorporated by reference in, and is not considered part of, this Proxy Statement.

Prior Proposed Business Combination and the Termination

As previously announced on our Current Report on Form 8-K filed with the SEC on January 18, 2023, we entered into the Business Combination Agreement with the Target, PubCo, Merger Sub 1, Merger Sub 2 and Merger Sub 3. The closing of the transactions contemplated by the Business Combination Agreement and the other Transaction Documents (as defined in the Business Combination Agreement) is referred to herein as the “**Closing**.” Subject to its terms and conditions, the Business Combination Agreement provides that (i) on the business day prior to the date of the Closing, the Company will merge with and into Merger Sub 1, with Merger Sub 1 being the surviving entity (the “**Initial Merger**”), (ii) on the date of the Closing, Merger Sub 2 will merge with and into the Target, with the Target being the surviving entity (the “**Second Merger**”) and (iii) on the date of the Closing and immediately following the Second Merger, the Target will merge with and into Merger Sub 3, with Merger Sub 3 being the surviving entity (the “**Third Merger**”) and, together with the Initial Merger and the Second Merger, the “**Mergers**”). As announced on our Current Report on Form 8-K filed with the SEC on August 21, 2023, effective as of August 21, 2023, we, the Target, PubCo and the Merger Subs mutually agreed to terminate the Business Combination Agreement and, consequently, the other Transaction Documents pursuant to the terms of a termination agreement entered into by and between each of the parties to the Business Combination Agreement (the “**Termination Agreement**”).

Emerging Growth Company

The Jumpstart Our Business Startups Act of 2012 (the “**JOBS Act**”) contains provisions that, among other things, relax certain reporting requirements for qualifying public companies. We qualify as an “emerging growth company” and under the JOBS Act are allowed to comply with new or revised accounting pronouncements based on the effective date for private (not publicly traded) companies. We are electing to delay the adoption of new or revised accounting standards, and as a result, we may not comply with new or revised accounting standards on the relevant dates on which adoption of such standards is required for non-emerging growth companies. As a result, the financial statements may not be comparable to companies that comply with new or revised accounting pronouncements as of public company effective dates.

Additionally, we are in the process of evaluating the benefits of relying on the other reduced reporting requirements provided by the JOBS Act. Subject to certain conditions set forth in the JOBS Act, if, as an “emerging growth company,” we choose to rely on such exemptions we may not be required to, among other things, (i) provide an auditor’s attestation report on our system of internal controls over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act of 2002, (ii) provide all of the compensation disclosure that may be required of non-emerging growth public companies under the Dodd-Frank Wall Street Reform and Consumer Protection Act, (iii) comply with any requirement that may be adopted by the PCAOB regarding mandatory audit firm rotation or a supplement to the auditor’s report providing additional information about the audit and the financial statements (auditor discussion and analysis) and (iv) disclose certain executive compensation related items such as the correlation between executive compensation and performance and comparisons of the CEO’s compensation to median employee compensation. These exemptions will apply for a period of five years following the completion of the IPO or until we are no longer an “emerging growth company,” whichever is earlier.

You are not being asked to vote on a Business Combination at this time. If the Extension is implemented and you do not elect to redeem your Public Shares, provided that you are a shareholder on the record date for a meeting to consider a Business Combination, you will retain the right to vote on a Business Combination when it is submitted to shareholders and the right to redeem your Public Shares for cash in the event a Business Combination is approved and completed or we have not consummated a Business Combination by the Extended Date.

The Proposals at the extraordinary general meeting

You are being asked to vote on four Proposals:

- *Extension Amendment Proposal.* A proposal to approve a special resolution to amend our Articles to extend the date by which we have to either consummate a Business Combination or wind up the Company and redeem 100% of the Public Shares sold in the IPO from September 16, 2023 to March 16, 2024 (or such earlier date as determined by the Board);
- *Redemption Limitation Amendment Proposal.* A proposal to approve a special resolution to amend our Articles to delete: (i) the limitation that the Company shall not consummate a Business Combination if it would cause the Company's net tangible assets to be less than \$5,000,001; and (ii) the limitation that the Company shall not redeem Public Shares in an amount that would cause the Company's net tangible assets to be less than \$5,000,001 following such redemptions;
- *Director Election Proposal.* A proposal to elect Larry Kudlow as Class I director of the Company's Board, until the third annual meeting of the Company held after the extraordinary general meeting or until his successor is appointed and qualified; and
- *Adjournment Proposal.* A proposal to approve an ordinary resolution to approve the adjournment of the extraordinary general meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the other Proposals, or if we otherwise determine that additional time is necessary to effectuate the extension.

Shareholder approval of the Extension Amendment Proposal is required for the implementation of the Board's plan to extend the date by which we must complete a Business Combination. Approval of the Redemption Limitation Amendment Proposal is a condition to implementing the Redemption Limitation Amendment. Additionally, the Redemption Limitation Amendment Proposal is conditioned on the approval of the Extension Amendment Proposal. The Extension Amendment Proposal, the Director Election Proposal and the Adjournment Proposal are not

TABLE OF CONTENTS

conditioned on the approval of any other proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the Extension Amendment. Notwithstanding shareholder approval of the Extension Amendment Proposal and/or the Redemption Limitation Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment and/or the Redemption Limitation Amendment at any time without any further action by our shareholders.

Quorum

A quorum of our shareholders is necessary to hold a valid meeting. The presence (which would include presence at the virtual extraordinary general meeting), in person or by proxy, of shareholders holding a majority of the ordinary shares entitled to vote at the extraordinary general meeting constitutes a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee), attend in person or if you vote online at the extraordinary general meeting. Abstentions will be counted towards the quorum requirement. As of the Record Date for the extraordinary general meeting, 7,502,952 ordinary shares would be required to achieve a quorum.

All of our directors, executive officers and their respective affiliates are expected to vote any ordinary shares over which they have voting control (including any Public Shares owned by them) in favor of the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the director nominee, and, if presented, the Adjournment Proposal. Currently, the Sponsor owns approximately 57.5% of our issued and outstanding ordinary shares, including 8,625,000 Founder Shares. Accordingly, no additional Public Shares will need to be present for a quorum.

Voting Power; Record Date

You will be entitled to vote or direct votes to be cast at the extraordinary general meeting if you owned our ordinary shares at the close of business on the Record Date. You will have one vote per Proposal, excluding the Director Election Proposal, for each ordinary share you owned at that time. The Company's warrants do not carry voting rights. For the avoidance of doubt, pursuant to our Articles, prior to the closing of a Business Combination, holders of Class A ordinary shares have no right to vote on the appointment or removal of any director and thus, holders of Public Shares do not have right to vote for or against the Director Election Proposal.

On the record date of the extraordinary general meeting, there were 15,005,902 ordinary shares outstanding, consisting of 6,380,902 Public Shares and 8,625,000 Class B ordinary shares.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes, while considered present for the purposes of establishing a quorum, will not count as votes cast and will have no effect on the outcome of the vote on the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the Director Election Proposal and the Adjournment Proposal. Brokers are prohibited from exercising discretionary authority on non-routine matters. The Extension Amendment Proposal, the Redemption Limitation Amendment Proposal and Adjournment Proposal are considered non-routine matters. Therefore, brokers cannot exercise discretionary authority regarding these proposals for beneficial owners who have not returned proxies to the brokers (so-called "broker non-votes")

Required Votes

- *Extension Amendment Proposal.* The approval of the Extension Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.
- *Redemption Limitation Amendment Proposal.* The approval of the Redemption Limitation Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.

TABLE OF CONTENTS

- *Director Election Proposal.* The election of a director requires an ordinary resolution of the holders of the Class B ordinary shares under our Articles, being the simple majority of the votes cast by the holders of the issued Class B ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting. The Sponsor is the sole holder of all issued and outstanding Class B ordinary shares.
- *Adjournment Proposal.* If presented, the Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of a simple majority of the votes cast by the holders of the ordinary shares present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.

If you do not want the Extension Amendment Proposal or the Redemption Limitation Amendment Proposal to be approved, you may vote “**AGAINST**” such proposal. You will be entitled to redeem your Public Shares for cash in connection with this vote whether or not you vote or against, or do not vote, on these Proposals, so long as you make the Election.

If you do not want the Adjournment Proposal to be approved, you may vote “**AGAINST**” such proposal.

Pursuant to our Articles, holders of Class A ordinary shares have no right to vote on the appointment or removal of any director prior to the closing of a Business Combination. The Sponsor, the sole holder of all issued and outstanding Class B ordinary shares, intends to vote “FOR” the nominee for director nominated by the Board.

At the close of business on the Record Date of the extraordinary general meeting, there were 6,380,902 Class A ordinary shares and 8,625,000 Class B ordinary shares outstanding, each of which entitles its holder to cast one vote per proposal. All of our directors, executive officers and their respective affiliates are expected to vote any ordinary shares over which they have voting control (including any Public Shares owned by them) in favor of the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal and, if presented, the Adjournment Proposal. Currently, the Sponsor owns approximately 57.5% of our issued and outstanding ordinary shares, including 8,625,000 Founder Shares. Accordingly, as of the Record Date, in addition to the shares held by the Sponsor, the Company would only need 1,378,935 Public Shares, or approximately 21.6% of all outstanding Public Shares, to be voted in favor of the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal and no additional Public Shares to be voted in favor of the Director Election Proposal or the Adjournment Proposal, to approve such proposals or the director nominee, as applicable, assuming all outstanding ordinary shares are voted on such proposals. If only a minimum quorum, consisting of a bare majority of outstanding ordinary shares, is present at the extraordinary general meeting, in addition to the shares held by the Sponsor, the Company would not need any additional Public Shares to be voted in favor of the Extension Amendment Proposal, the Redemption Limitation Amendment Proposal, the Director Election Proposal or the Adjournment Proposal to approve such proposals or the director nominee, as applicable.

Redemption Rights

If the Extension Amendment Proposal is approved, and the Extension is implemented, Public Shareholders may seek to redeem their Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then outstanding Public Shares. As of the Record Date, based on funds in the Trust Account of approximately \$68.6 million as of such date, the pro rata portion of the funds available in the Trust Account for the redemption of Public Shares was approximately \$10.74 per share (before taking into account the removal of the accrued interest in the Trust Account to pay our taxes). If you do not elect to redeem your Public Shares in connection with the Extension, you will retain the right to redeem your Public Shares in connection with any shareholder vote to approve a Business Combination, or if the Company has not consummated a Business Combination, by the Extended Date, liquidation of the Company. See the sections below entitled “*Proposal One – The Extension Amendment Proposal – Redemption Rights*” and “*Directors, Executive Officers and Corporate Governance – Conflicts of Interest*”.

Appraisal Rights and Dissenters’ Rights

The Company shareholders do not have appraisal rights or dissenters’ rights under Cayman Island laws in connection with the Proposals to be voted on at the extraordinary general meeting.

Revocability of Proxies

Any proxy may be revoked by the person giving it at any time before the polls close at the extraordinary general meeting. A proxy may be revoked by filing with the Company at Ross Acquisition Corp II, 1 Pelican Lane, Palm Beach, Florida 33480, (561) 655-2615, Attn: Nadim Qureshi, either a written notice of revocation bearing a date later than the date of such proxy or a subsequent proxy relating to the same shares or by attending the extraordinary general meeting and voting virtually.

Simply attending the extraordinary general meeting will not constitute a revocation of your proxy. If your shares are held in the name of a broker or other nominee who is the record holder, you must follow the instructions of your broker or other nominee to revoke a previously given proxy.

Proxies; Board Solicitation

Your proxy is being solicited by the Board on the Proposals being presented to shareholders at the extraordinary general meeting. No recommendation is being made as to whether you should elect to redeem your Public Shares. Proxies may be solicited in person or by telephone. In addition to these mailed proxy materials, our directors and our executive officers may also solicit proxies in person, by telephone or by other means of communication. These parties will not be paid any additional compensation for soliciting proxies. The Company may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

The cost of preparing, assembling, printing and mailing this proxy statement and the accompanying form of proxy, and the cost of soliciting proxies relating to the extraordinary general meeting, will be borne by the Company.

Some banks and brokers have customers who beneficially own ordinary shares listed of record in the names of nominees. The Company intends to request banks and brokers to solicit such customers and will reimburse them for their reasonable out-of-pocket expenses for such solicitations.

Recommendation of the Board

After careful consideration, the Board determined unanimously that each of the Proposals is fair to and in the best interests of the Company and its shareholders. The Board has approved and declared advisable and unanimously recommends that you vote or give instructions to vote "FOR" the Extension Amendment Proposal, "FOR" the Redemption Limitation Amendment Proposal, "FOR" the director nominee, and "FOR" the Adjournment Proposal, if presented.

PROPOSAL ONE – THE EXTENSION AMENDMENT PROPOSAL

Overview

The Company is proposing to amend its Articles to extend the date by which the Company has to consummate a Business Combination to the Extended Date so as to provide the Company with additional time to complete a Business Combination.

The Extension Amendment Proposal is required for the implementation of the Board's plan to allow the Company more time to identify, negotiate and consummate or effect a Business Combination. A copy of the proposed amendment to the Articles of the Company is attached to this Proxy Statement in [Annex A](#).

Reasons for the Extension Amendment Proposal

The Company's Articles provide that the Company has until September 16, 2023 to complete a Business Combination. The purpose of the Extension Amendment is to allow the Company more time to complete a Business Combination.

Our Articles provide that the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at an extraordinary general meeting is required to extend our corporate existence. Additionally, our Articles provide for all Public Shareholders to have an opportunity to redeem their Public Shares if our corporate existence is extended as described above. Because we continue to believe that a Business Combination would be in the best interests of our shareholders, and because we will not be able to conclude a Business Combination before September 16, 2023, the Board has determined to seek shareholder approval to extend the date by which we have to complete a Business Combination beyond September 16, 2023 to the Extended Date. We intend to hold another general meeting prior to the Extended Date in order to seek shareholder approval of a Business Combination.

Accordingly, we believe that given the Company's expenditure of time, effort and money on searching for potential opportunities of a Business Combination, circumstances warrant providing Public Shareholders a chance to participate in an investment opportunity, rather than commencing a liquidation on September 16, 2023.

If the Extension Amendment Proposal is Not Approved, or if the Extension Amendment is approved, but the Extension is not implemented

The Board will abandon the Extension Amendment and the Redemption Limitation Amendment if our shareholders do not approve the Extension Amendment Proposal.

If the Extension Amendment Proposal is not approved, or if the Extension Amendment Proposal is approved, but the Extension is not implemented, and we do not consummate a Business Combination by September 16, 2023, as contemplated by our IPO prospectus and in accordance with our Articles, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter redeem the Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations, if any (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of the then-outstanding Public Shares, which redemption will completely extinguish Public Shareholders' rights as shareholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete a Business Combination by September 16, 2023, 30 months from the closing of the IPO. In the event of a liquidation, the Sponsor will not receive any monies held in the Trust Account as a result of its ownership of the Founder Shares or the Private Placement Warrants.

If the Extension Amendment Proposal is Approved

If the Extension Amendment Proposal is approved and the Extension is implemented, we will file an amendment to the Articles with the Registrar of Companies of the Cayman Islands in the form of [Annex A](#) hereto. We will remain a reporting company under the Exchange Act and expect that our units, Public Shares and Public Warrants will remain publicly traded.

TABLE OF CONTENTS

Notwithstanding shareholder approval of the Extension Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment at any time without any further action by our shareholders.

You are not being asked to vote on a Business Combination at this time. If the Extension is implemented and you do not elect to redeem your Public Shares, provided that you are a shareholder on the record date for a general meeting to consider a Business Combination, you will retain the right to vote on a Business Combination when it is submitted to shareholders and the right to redeem your Public Shares for cash in the event a Business Combination is approved and completed or we have not consummated a Business Combination by the Extended Date.

If the Extension Amendment Proposal is approved, and the Extension is implemented, the removal of the Withdrawal Amount from the Trust Account in connection with the Election will reduce the amount remaining in the Trust Account. The Company cannot predict the amount that will remain in the Trust Account if the Extension Amendment Proposal is approved and the amount remaining in the Trust Account may be significantly less than the approximately \$68.6 million that was in the Trust Account as of August 28, 2023, the Record Date.

Redemption Rights

If the Extension Amendment Proposal is approved, and the Extension is implemented, Public Shareholders may seek to redeem their Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then outstanding Public Shares. As of the Record Date, based on funds in the Trust Account of approximately \$68.6 million as of such date, the pro rata portion of the funds available in the Trust Account for the redemption of Public Shares was approximately \$10.74 per share (before taking into account the removal of the accrued interest in the Trust Account to pay our taxes). If you do not elect to redeem your Public Shares in connection with the Extension, you will retain the right to redeem your Public Shares in connection with any shareholder vote to approve a Business Combination, or if the Company has not consummated a Business Combination, by the Extended Date, liquidation of the Company.

TO EXERCISE YOUR REDEMPTION RIGHTS, YOU MUST SUBMIT A REQUEST IN WRITING THAT WE REDEEM YOUR PUBLIC SHARES FOR CASH TO CONTINENTAL AT THE ADDRESS BELOW, AND, AT THE SAME TIME, ENSURE YOUR BANK OR BROKER COMPLIES WITH THE REQUIREMENTS IDENTIFIED ELSEWHERE HEREIN, INCLUDING TENDERING OR DELIVERING YOUR SHARES (AND ANY SHARE CERTIFICATES (IF ANY) AND ANY OTHER REDEMPTION FORMS) TO THE TRANSFER AGENT PRIOR TO 5:00 P.M. EASTERN TIME ON SEPTEMBER 13, 2023. THE REDEMPTION RIGHTS INCLUDE THE REQUIREMENT THAT A HOLDER MUST IDENTIFY ITSELF IN WRITING AS A BENEFICIAL HOLDER AND PROVIDE ITS LEGAL NAME, PHONE NUMBER AND ADDRESS TO THE TRUSTEE IN ORDER TO VALIDLY REDEEM ITS SHARES.

In connection with tendering your shares for redemption, prior to 5:00 p.m. Eastern time on September 13, 2023 (two business days before the extraordinary general meeting), you must elect either to physically tender or deliver your shares (including any share certificate(s) (if any)) to Continental Stock Transfer & Trust Company, 1 State Street Plaza, 30th Floor, New York, New York 10004, SPACredemptions@continentalstock.com, or to deliver your shares to the transfer agent electronically using DTC's DWAC system, which election would likely be determined based on the manner in which you hold your shares. The requirement for physical or electronic delivery prior to 5:00 p.m. Eastern time on September 13, 2023 (two business days before the extraordinary general meeting) ensures that a redeeming holder's election is irrevocable once the Extension Amendment Proposal is approved. In furtherance of such irrevocable election, shareholders making the election will not be able to tender their shares after the vote at the deadline to submit redemption requests noted above. Any request for redemption, once made, may be withdrawn at any time until the deadline for submitting redemption requests, and thereafter, with the consent of the Company.

Through the DWAC system, this electronic delivery process can be accomplished by the shareholder, whether or not the shareholder is a record holder or the shareholder's shares are held in "street name," by contacting the Company's transfer agent or the shareholder's broker and requesting delivery of the shares through the DWAC system. Delivering shares physically may take significantly longer. In order to obtain a physical share certificate, a shareholder's broker and/or clearing broker, DTC, and the Company's transfer agent will need to act together to facilitate this request. There is a nominal cost associated with the above-referenced tendering process and the act of certificating the shares or delivering them through the DWAC system. The transfer agent will typically charge the tendering broker \$100 and the broker will determine whether or not to pass this cost on to the redeeming holder. It

TABLE OF CONTENTS

is the Company's understanding that shareholders should generally allot at least two weeks to obtain physical certificates from the transfer agent. The Company does not have any control over this process, the brokers or DTC, and it may take longer than two weeks to obtain a physical share certificate. Such shareholders will have less time to make their investment decision than those shareholders that deliver their shares through the DWAC system. Shareholders who request physical share certificates and wish to redeem may be unable to meet the deadline for tendering their shares before exercising their redemption rights and thus will be unable to redeem their shares.

Certificates that have not been tendered in accordance with these procedures prior to 5:00 p.m. Eastern time on September 13, 2023 (two business days before the extraordinary general meeting) will not be redeemed for cash held in the Trust Account on the redemption date. Any request for redemption, once made, may be withdrawn at any time until the deadline for submitting redemption requests, and thereafter, with the consent of the Company. You may make such a request to withdraw your Public Shares from redemption. You may make such request by contacting our transfer agent at the address listed above. In the event that a Public Shareholder tenders shares and the Extension Amendment Proposal is not approved, these shares will not be redeemed and the physical certificates representing these shares will be returned to the shareholder promptly following the determination that the Extension Amendment Proposal will not be approved. The Company anticipates that a Public Shareholder who tenders shares for redemption in connection with the vote to approve the Extension Amendment Proposal would receive payment of the redemption price for such shares soon after the completion of the Extension Amendment. The transfer agent will hold the certificates of Public Shareholders that make the election until such shares are redeemed for cash or returned to such shareholders.

If properly demanded, the Company will redeem each Public Share for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then outstanding Public Shares.

As of the Record Date, based on funds in the Trust Account of approximately \$68.6 million as of such date, the pro rata portion of the funds available in the Trust Account for the redemption of Public Shares was approximately \$10.74 per share (before taking into account the removal of the accrued interest in the Trust Account to pay our taxes). The closing price of the Company's Class A ordinary shares on August 18, 2023 as reported on the NYSE was \$10.65.

If you exercise your redemption rights, you will be exchanging your Class A ordinary shares for cash and will no longer own the shares. You will be entitled to receive cash for these shares only if you properly demand redemption and tender your share certificate(s) to the Company's transfer agent prior to 5:00 p.m. Eastern time on September 13, 2023 (two business days before the extraordinary general meeting). The Company anticipates that a Public Shareholder who tenders shares for redemption in connection with the vote to approve the Extension Amendment Proposal would receive payment of the redemption price for such shares soon after the completion of the Extension. Any request for redemption, once made, may be withdrawn at any time until the deadline for submitting redemption requests, and thereafter, with the consent of the Company. You may make such a request to withdraw your Public Shares from redemption by contacting our transfer agent at the address listed herein.

Vote Required for Approval

The approval of the Extension Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting to approve the Extension Amendment Proposal. If the Extension Amendment Proposal is not approved, or if the Extension Amendment Proposal is approved, but the Extension is not implemented, and we do not consummate a Business Combination by September 16, 2023, as contemplated by our IPO prospectus and in accordance with our Articles, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter redeem the Public Shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations, if any (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of the then-outstanding Public Shares, which redemption will completely extinguish Public Shareholders' rights as shareholders (including the right to receive further liquidating distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and other requirements of applicable law. There will be no redemption rights or

TABLE OF CONTENTS

liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete a Business Combination by September 16, 2023, 30 months from the closing of the IPO. In the event of a liquidation, the Sponsor will not receive any monies held in the Trust Account as a result of its ownership of the Founder Shares or the Private Placement Warrants.

Shareholder approval of the Extension Amendment is required for the implementation of the Board's plan to extend the date by which we must consummate a Business Combination. Therefore, the Board will abandon and not implement such amendment unless our shareholders approve the Extension Amendment Proposal. In addition, unless the Redemption Limitation Amendment Proposal is approved, the Company will not proceed with the Extension if the number of redemptions of our public shares would cause the Company to have less than \$5,000,001 of net tangible assets following implementation of the Extension Amendment. Notwithstanding shareholder approval of the Extension Amendment Proposal, the Board will retain the right to abandon and not implement the Extension Amendment at any time without any further action by our shareholders.

The Sponsor, our directors and our officers and their affiliates are expected to vote any ordinary shares owned by them in favor of the Extension Amendment Proposal. On the Record Date, the Sponsor beneficially owned and were entitled to vote an aggregate approximately 57.5% of the Company's issued and outstanding ordinary shares. Accordingly, assuming all outstanding ordinary shares are voted on the Extension Amendment Proposal, in addition to the shares held by the Sponsor, the Company would only need 1,378,935 Public Shares, or approximately 21.6% of all outstanding Public Shares, to be voted in favor of the Extension Amendment Proposal to approve this proposal. If only a minimum quorum, consisting of a bare majority of outstanding ordinary shares, is present at the extraordinary general meeting, in addition to the shares held by the Sponsor, the Company would not need any additional Public Shares to be voted in favor of the Extension Amendment Proposal to approve this proposal.

In addition, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates, may purchase Public Shares in privately negotiated transactions or in the open market prior to or following the extraordinary general meeting, although they are under no obligation to do so. Such Public Shares purchased by the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates would be (a) purchased at a price no higher than the redemption price for the Public Shares, which is currently estimated to be \$10.74 per share and (b) would not be (i) voted by the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates at the extraordinary general meeting or (ii) redeemable by the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates. Any such purchases that are completed after the record date may include an agreement with a selling shareholder that such shareholder, for so long as it remains the record holder of the shares in question, will vote in favor of the Proposals to be voted upon at the extraordinary general meeting and/or will not exercise its redemption rights with respect to the shares so purchased. The purpose of such share purchases and other transactions would be to increase the likelihood that the Proposals to be voted upon at the extraordinary general meeting are approved by the requisite number of votes and to reduce the number of Public Shares that are redeemed. In the event that such purchases do occur, the purchasers may seek to purchase shares from shareholders who would otherwise have voted against the Proposals to be voted upon at the extraordinary general meeting and elected to redeem their Public Shares for a portion of the Trust Account. Any such privately negotiated purchases may be effected at purchase prices that are below or in excess of the per-share pro rata portion of the Trust Account. None of the Company, the Sponsor, the Company's directors, the Company's officers or any of their respective affiliates may make any such purchases when they are in possession of any material non-public information not disclosed to the seller or during a restricted period under Regulation M under the Exchange Act.

Interests of the Sponsor, Directors and Officers

When you consider the recommendation of the Board, you should keep in mind that the Sponsor, our directors and our executive officers and their affiliates have interests that may be different from, or in addition to, your interests as a shareholder. These interests include, among other things:

- the fact that the Sponsor holds 8,625,000 Founder Shares and 5,933,333 Private Placement Warrants, all of which would expire worthless if a Business Combination is not consummated;
- the fact that, unless the Company consummates a Business Combination, the Sponsor will not receive reimbursement for any out-of-pocket expenses incurred by it on behalf of the Company to the extent that such expenses exceed the amount of available proceeds not deposited in the Trust Account;

TABLE OF CONTENTS

- the fact that, if the Trust Account is liquidated, including in the event we are unable to complete a Business Combination before September 16, 2023 (or the Extended Date if the Extension Amendment is implemented), the Sponsor has agreed that it will be liable to us if and to the extent any claims by a third-party (other than our independent auditors) for services rendered or products sold to us, or a prospective target business with which we have discussed entering into a transaction agreement, reduce the amounts in the Trust Account to below the lesser of (i) \$10.00 per Public Share and (ii) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account if less than \$10.00 per Public Share due to reductions in the value of the trust assets, in each case net of the interest that may be withdrawn to pay our tax obligations, provided that such liability will not apply to any claims by a third-party or prospective target business that executed a waiver of any and all rights to seek access to the Trust Account and as to any claims under our indemnity of the underwriters of the IPO against certain liabilities, including liabilities under the Securities Act;
- the fact that, other than as disclosed herein, none of our officers or directors has received any cash compensation for services rendered to the Company, and all of the current members of the Board are expected to continue to serve as directors at least through the date of the meeting to vote on a Business Combination, and may even continue to serve following any such Business Combination and receive compensation thereafter;
- the fact that the Company has entered into an administrative services agreement with the Sponsor, pursuant to which, through the earlier of the consummation of a Business Combination or the Company's liquidation, the Company may pay, if requested by the Sponsor, a monthly fee of up to \$10,000 for office space and secretarial and administrative support services. For the period from January 19, 2021 (inception) through December 31, 2021, the Company incurred \$100,000 of such fees. For the year ended December 31, 2022, the Company incurred \$120,000 of such fees;
- the fact that, the Sponsor or an affiliate of the Sponsor, or certain of the Company's officers and directors would be entitled to the repayment of any working capital loans and advances that have been made to the Company and remain outstanding, out of the proceeds of the Trust Account released to the Company at the consummation of the Business Combination. Otherwise, such loans and advances would be repaid only out of funds held outside the Trust Account. As of the date of this proxy statement, there are no such loans or advances outstanding.

The Board's Reasons for the Extension Amendment Proposal and Its Recommendation

As discussed below, after careful consideration of all relevant factors, the Board has determined that the Extension Amendment is in the best interests of the Company and its shareholders. The Board has approved and declared advisable the adoption of the Extension Amendment Proposal and recommends that you vote "FOR" such proposal.

Our Articles provide that the Company has until September 16, 2023 to complete the purposes of the Company including, but not limited to, effecting a Business Combination under its terms.

Our Articles states that if the Company's shareholders approve an amendment to our Articles that would affect the substance or timing of the Company's obligation to redeem 100% of the Public Shares if it does not complete a Business Combination before September 16, 2023, the Company will provide its Public Shareholders with the opportunity to redeem all or a portion of their Public Shares. We believe that this Articles provision was included to protect the Company's shareholders from having to sustain their investments for an unreasonably long period if the Company failed to find a suitable Business Combination in the timeframe contemplated by the Articles.

In addition, our Articles provide that the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders at a general meeting is required to extend our corporate existence. Because we continue to believe that a Business Combination would be in the best interests of our shareholders, and because we will not be able to conclude a Business Combination before September 16, 2023, the Board has determined to seek shareholder approval to extend the date by which we have to complete a Business Combination beyond September 16, 2023 to the Extended Date. We intend to hold another general meeting prior to the Extended Date in order to seek shareholder approval of a Business Combination.

The Company is not asking you to vote on a Business Combination at this time.

After careful consideration of all relevant factors, the Board determined that the Extension Amendment is in the best interests of the Company and its shareholders.

Recommendation of the Board

THE BOARD UNANIMOUSLY RECOMMENDS THAT OUR SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE EXTENSION AMENDMENT PROPOSAL.

The existence of financial and personal interests of our directors and officers may result in a conflict of interest on the part of one or more of the directors or officers between what he, she or they may believe is in the best interests of the Company and its shareholders and what he, she or they may believe is best for himself, herself or themselves in determining to recommend that shareholders vote for the proposals. See the sections entitled “—*Interests of the Sponsor, Directors and Officers*” and “*Directors, Executive Officers and Corporate Governance — Conflicts of Interest*” for a further discussion.

THE REDEMPTION LIMITATION AMENDMENT PROPOSAL

Overview

The Company is proposing to amend its Articles to eliminate the requirement that the Company have at least \$5,000,001 in tangible net assets (as determined in accordance with Rule 3a51-1(g)(1) under the Exchange Act) in order to consummate the business combination. Approval of the Extension Amendment Proposal is a condition to the implementation of the Extension and the Redemption Limitation. Approval of the Redemption Limitation Amendment Proposal is a condition to the implementation of the Redemption Limitation. A copy of the proposed amendments to the Articles is attached to this proxy statement in [Annex B](#).

Reasons for the Redemption Limitation Amendment Proposal

Our Board believes the opportunity to consummate a business combination is in the best interests of the Company and its shareholders.

If the Redemption Limitation Amendment Proposal is not approved and there are significant requests for redemption such that the Redemption Limitation would be exceeded, the Redemption Limitation would prevent the Company from being able to consummate the Extension or a Business Combination. If the Redemption Limitation Amendment Proposal is not approved, we will not redeem Public Shares to the extent that accepting all properly submitted redemption requests would exceed the Redemption Limitation. In the event that the Redemption Limitation Amendment Proposal is not approved and we receive notice of redemptions of Public Shares approaching or in excess of the Redemption Limitation, we and/or the Sponsor may take action to increase our net tangible assets to avoid exceeding the Redemption Limitation.

The Company believes that the Redemption Limitation is not needed. The purpose of such limitation was initially to ensure that the Company did not become subject to the SEC's "penny stock" rules. Because the Public Shares would not be deemed to be "penny stock" as such securities are listed on a national securities exchange, the Company is presenting the Redemption Limitation Amendment Proposal to facilitate the consummation of a Business Combination. If the Redemption Limitation Amendment Proposal is not approved and there are significant requests for redemption such that the Company's net tangible assets would be less than \$5,000,001 upon the consummation of a Business Combination, the Articles would prevent the Company from being able to consummate such Business Combination even if all other conditions to closing are met.

Required Vote

The approval of the Redemption Limitation Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of at least two-thirds (2/3) of the votes cast by the holders of the issued ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting.

The Sponsor, our directors and our officers and their affiliates are expected to vote any ordinary shares owned by them in favor of the Redemption Limitation Amendment Proposal. On the Record Date, the Sponsor beneficially owned and were entitled to vote an aggregate approximately 57.5% of the Company's issued and outstanding ordinary shares. Accordingly, assuming all outstanding ordinary shares are voted on the Redemption Limitation Amendment Proposal, in addition to the shares held by the Sponsor, the Company would only need 1,378,935 Public Shares, or approximately 21.6% of all outstanding Public Shares, to be voted in favor of the Redemption Limitation Amendment Proposal to approve this proposal. If only a minimum quorum, consisting of a bare majority of outstanding ordinary shares, is present at the extraordinary general meeting, in addition to the shares held by the Sponsor, the Company would not need any additional Public Shares to be voted in favor of the Redemption Limitation Amendment Proposal to approve this proposal.

The Redemption Limitation Amendment Proposal is cross-conditioned on the approval of the Extension Amendment Proposal. Accordingly, even if the Redemption Limitation Amendment Proposal is approved, the Redemption Limitation Amendment will not be implemented if the Extension Amendment Proposal is not approved. Approval of the Redemption Limitation Amendment Proposal is a condition to the implementation of the Redemption Limitation. If the Redemption Limitation Amendment Proposal is not approved, the Redemption Limitation Amendment will not be implemented.

After careful consideration of all relevant factors, the Board determined that the Redemption Limitation Amendment is in the best interests of the Company and its shareholders.

Recommendation of the Board

THE BOARD UNANIMOUSLY RECOMMENDS THAT OUR SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE REDEMPTION LIMITATION AMENDMENT PROPOSAL.

The existence of financial and personal interests of our directors and officers may result in a conflict of interest on the part of one or more of the directors or officers between what he, she or they may believe is in the best interests of the Company and its shareholders and what he, she or they may believe is best for himself, herself or themselves in determining to recommend that shareholders vote for the proposals. See the section entitled “*Proposal One – The Extension Amendment Proposal – Interests of the Sponsor, Directors and Officers*” for a further discussion.

PROPOSAL THREE – THE DIRECTOR ELECTION PROPOSAL

Overview

Our Board is divided into three classes, Class I, Class II and Class III, with members of each class serving staggered three-year terms. The term of office of the Class I director, Larry Kudlow, will expire at the special meeting. The term of office of the Class II director, Edward A. Snyder, will expire at the second annual meeting (or extraordinary general meeting in lieu thereof). The term of office of the Class III directors, Lord William Astor and Wilbur L. Ross, Jr. will expire at the third annual meeting of stockholders (or extraordinary general meeting in lieu thereof).

At the extraordinary general meeting, one Class I director will be elected to the Board to serve for the ensuing three-year period or until a successor is elected and qualified or his earlier resignation or removal. The Board has nominated Larry Kudlow for election as Class I director.

Mr. Kudlow has served on our Board since our inception in January 2021. Our Board believes that the stability and continuity of our Board is important as we continue to search for and complete a Business Combination. The biography of Mr. Kudlow is set forth below under the section entitled “*Directors, Executive Officers and Corporate Governance*”.

Vote Required for Approval

The election of a director requires an ordinary resolution of the holders of the Class B ordinary shares under our Articles, being the simple majority of the votes cast by the holders of the issued Class B ordinary shares who are present in person (including via live webcast) or represented by proxy and entitled to vote thereon, and who vote thereon, at the extraordinary general meeting. For the avoidance of doubt, pursuant to the Articles, prior to the closing of a Business Combination, holders of Class A ordinary shares have no right to vote on the appointment or removal of any director.

The Sponsor is the sole holder of all issued and outstanding Class B ordinary shares as of the Record Date. The Sponsor is expected to vote any shares owned by it in favor of Mr. Kudlow. Accordingly, the Company would not need any additional shares to be voted in favor of Mr. Kudlow, to approve the re-election of him to the Board.

Recommendation of the Board

As discussed above, after careful consideration of all relevant factors, the Board has determined that the re-election of Mr. Kudlow is in the best interests of the Company and its shareholders. The Board has approved and declared advisable the election of Mr. Kudlow.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF MR. KUDLOW.

PROPOSAL FOUR – THE ADJOURNMENT PROPOSAL

Overview

The Adjournment Proposal, if adopted, will allow the Board to adjourn the extraordinary general meeting to a later date or dates to permit further solicitation of proxies or if determine additional time is necessary to effectuate the extension. The Adjournment Proposal may be presented to our shareholders in the event that there are insufficient votes for, or otherwise in connection with, the approval of the other Proposals, or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals. In no event will the Board adjourn the extraordinary general meeting beyond September 16, 2023.

Consequences if the Adjournment Proposal is Not Approved

If the Adjournment Proposal is not approved by our shareholders, the Board may not be able to adjourn the extraordinary general meeting to a later date in the event that there are insufficient votes for, or otherwise in connection with, the approval of the other Proposals, or if the Board determines before the extraordinary general meeting that additional time is necessary to effectuate the Extension or it is not necessary or no longer desirable to proceed with the Proposals.

Vote Required for Approval

Approval of the Adjournment Proposal, if presented, requires an ordinary resolution under Cayman Islands law, being the affirmative vote of the majority of the votes cast by shareholders present in person (including virtually) or represented by proxy at the extraordinary general meeting and entitled to vote thereon. Accordingly, if a valid quorum is otherwise established, a shareholder's failure to vote by proxy or online at the extraordinary general meeting will have no effect on the outcome of any vote on the Adjournment Proposal. Abstentions will be counted in connection with the determination of whether a valid quorum is established but will have no effect on the outcome of the Adjournment Proposal. If you do not give instructions to your bank or brokerage firm, the bank or brokerage firm may nevertheless be entitled to vote your shares with respect to the Adjournment Proposal, as the Board believes the Adjournment Proposal is a "routine" item.

The Sponsor, our directors and our officers and their affiliates are expected to vote any ordinary shares owned by them in favor of the Adjournment Proposal. On the Record Date, the Sponsor beneficially owned and were entitled to vote an aggregate approximately 57.5% of the Company's issued and outstanding ordinary shares. Accordingly, in addition to the shares held by the Sponsor, the Company would not need any additional Public Shares to be voted in favor of the Adjournment Proposal, if presented, to approve this proposal.

Recommendation of the Board

As discussed above, after careful consideration of all relevant factors, the Board has determined that the Adjournment Proposal is in the best interests of the Company and its shareholders. The Board has approved and declared advisable the adoption of the Adjournment Proposal

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ADJOURNMENT PROPOSAL.

TABLE OF CONTENTS

CERTAIN MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a discussion of certain material U.S. federal income tax considerations for U.S. holders and Non-U.S. holders (each as defined below) of Public Shares (i) with respect to the Extension Amendment Proposal and the Redemption Limitation Amendment Proposal and (ii) whose Public Shares are redeemed for cash if the Extension Amendment Proposal is approved and the Extension is implemented. This discussion applies only to U.S. holders and Non-U.S. holders that hold Public Shares as “capital assets” within the meaning of Section 1221 of the Code (as defined below) (generally, property held for investment). This discussion is based on provisions of the Internal Revenue Code of 1986, as amended (the “Code”), Treasury Regulations promulgated thereunder (“Treasury Regulations”), rulings and other published positions of the Internal Revenue Service (the “IRS”) and judicial decisions, all as in effect as of the date hereof, and all of which are subject to change and differing interpretations, possibly with retroactive effect. Any such change or differing interpretation could affect the accuracy of the statements and conclusions set forth in this discussion. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax considerations described in this discussion. No advance ruling has been or will be sought from the IRS regarding any matter discussed below.

This discussion is for general information purposes only and does not purport to be a complete analysis of all of the U.S. federal income tax considerations that may be relevant to particular holders in light of their particular facts and circumstances, or to holders subject to special rules under the U.S. federal income tax laws, including, for example, but not limited to:

- our Sponsor, founders, officers or directors;
- banks and other financial institutions;
- mutual funds;
- insurance companies;
- brokers or dealers in securities, currencies or commodities;
- dealers or traders in securities subject to a mark-to-market method of accounting;
- regulated investment companies and real estate investment trusts;
- retirement plans, individual retirement accounts and other deferred accounts;
- tax-exempt organizations, governmental agencies, instrumentalities or other governmental organizations and pension funds;
- persons holding Public Shares as part of a “straddle,” hedge, wash sale, constructive sale, or other integrated or conversion transaction or similar transaction;
- U.S. holders whose functional currency is not the U.S. dollar;
- Partnerships, other entities or arrangements classified as partnerships for U.S. federal income tax purposes, “S corporations,” or other pass-through entities for U.S. federal income tax purposes (or investors in such entities);
- expatriated entities subject to Section 7874 of the Code;
- persons required to accelerate the recognition of any item of gross income as a result of such income being recognized on an “applicable financial statement”;
- persons subject to any alternative minimum tax;
- persons subject to the applicable financial statement accounting rules of Section 451(b) of the Code;
- U.S. expatriates and former citizens or long-term residents of the United States;
- holders owning or treated as owning 5% or more of our Public Shares (by vote or value);
- grantor trusts;
and
- controlled foreign corporations, passive foreign investment companies, and corporations that accumulate earnings to avoid U.S. federal income tax.

TABLE OF CONTENTS

This discussion does not address any U.S. federal tax considerations other than those pertaining to the income tax (such as estate, gift or other non-income tax considerations) or any state, local or foreign income or non-income tax considerations. In addition, this discussion does not address any considerations arising under the unearned income Medicare contribution tax, or any considerations in respect of any withholding required pursuant to the Foreign Account Tax Compliance Act of 2010 (including the Treasury Regulations promulgated thereunder and intergovernmental agreements entered into in connection therewith and any laws, regulations or practices adopted in connection with any such agreement).

If a partnership (or other entity or arrangement classified as a partnership for U.S. federal income tax purposes) holds Public Shares, the U.S. federal income tax treatment of the partners in the partnership generally will depend upon the status of the partner, the activities of the partner and the partnership and certain determinations made at the partner level. Accordingly, partnerships and partners in partnerships holding Public Shares should consult their tax advisors as to the particular tax consequences to them of the redemption of Public Shares.

THE U.S. FEDERAL INCOME TAX TREATMENT OF THE EXERCISE OF REDEMPTION RIGHTS DISCUSSED HEREIN TO ANY PARTICULAR SHAREHOLDER WILL DEPEND ON THE SHAREHOLDER'S PARTICULAR TAX CIRCUMSTANCES. YOU ARE URGED TO CONSULT YOUR TAX ADVISOR REGARDING THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. INCOME AND OTHER TAX CONSEQUENCES TO YOU OF A REDEMPTION OF YOUR PUBLIC SHARES IN LIGHT OF YOUR PARTICULAR INVESTMENT OR TAX CIRCUMSTANCES.

Tax Treatment of Non-Redeeming Shareholders

A Public Shareholder that does not elect to redeem its Public Shares if the Extension Amendment Proposal is approved and the Extension is implemented will continue to own its Public Shares, and will not recognize any income, gain or loss for U.S. federal income tax purposes solely as a result of the Extension Amendment Proposal or the Redemption Limitation Amendment Proposal.

Tax Treatment of Redeeming Shareholders

Subject to the “passive foreign investment company” (“PFIC”) rules discussed below, in the event that a holder’s Public Shares are redeemed pursuant to the redemption provisions described in this proxy statement under “*Proposal One – The Extension Amendment Proposal – Redemption Rights*” the treatment of the redemption for U.S. federal income tax purposes will depend on whether the redemption qualifies as a sale of Public Shares under Section 302 of the Code. If the redemption qualifies as a sale of Public Shares, the material U.S. federal income tax consequences to a U.S. holder (as defined below) generally will be as described below under the section entitled “*U.S. Holders – Taxation of Redemption Treated as a Sale of Public Shares*” and the material U.S. federal income tax consequences to a Non-U.S. holder (as defined below) generally will be as described under the section entitled “*Non-U.S. Holders – Taxation of Redemption Treated as a Sale of Public Shares*.” If the redemption does not qualify as a sale of Public Shares under Section 302 of the Code, a holder generally will be treated as receiving a corporate distribution with the material U.S. federal income tax consequences to a U.S. holder generally as described below under the section entitled “*U.S. Holders – Taxation of Redemption Treated as a Distribution*,” and the material U.S. federal income tax consequences to a Non-U.S. holder generally as described below under the section entitled “*Non-U.S. Holders – Taxation of Redemption Treated as a Distribution*.”

Whether a redemption of a holder’s Public Shares qualifies for sale treatment will depend largely on the total number of shares treated as held, directly, indirectly or constructively, by such redeemed holder before and after the redemption (including any shares treated as held by such holder under applicable constructive ownership rules, including any shares constructively owned by the holder as a result of owning Public Warrants) relative to all of our shares outstanding both before and after the redemption. The redemption of a holder’s Public Shares generally will be treated as a sale of Public Shares by such holder (rather than as a corporate distribution) under Section 302 of the Code if the redemption: (i) is “substantially disproportionate” with respect to the holder; (ii) results in a “complete termination” of the holder’s interest in us; or (iii) is “not essentially equivalent to a dividend” with respect to the holder. These tests are explained more fully below.

In determining whether any of the foregoing tests result in a redemption qualifying for sale treatment, a holder takes into account not only shares actually owned by the holder, but also shares that are constructively owned by the holder under certain attribution rules set forth in the Code. Among other things, a holder may constructively own, in addition to shares owned directly, shares owned by certain related individuals and entities in which the holder has

TABLE OF CONTENTS

an interest or that have an interest in such holder, as well as any shares that the holder has a right to acquire pursuant to the exercise of an option, which would generally include public shares that could be acquired pursuant to the exercise of the Public Warrants. In order to meet the substantially disproportionate test, the percentage of our outstanding voting shares actually and constructively owned by the holder immediately following the redemption of such holder's Public Shares must, among other requirements, be less than 80% of the percentage of our outstanding voting shares actually and constructively owned by the holder immediately before the redemption (taking into account redemptions by other holders of Public Shares). There will be a complete termination of a holder's interest if either (i) all of the shares actually and constructively owned by the holder are redeemed or (ii) all of the shares actually owned by the holder are redeemed and the holder is eligible to waive, and effectively waives in accordance with specific rules, the attribution of shares owned by certain family members and the holder does not constructively own any other shares. The redemption of Public Shares will not be essentially equivalent to a dividend if the redemption results in a "meaningful reduction" of the holder's proportionate interest in us. Whether the redemption will result in a meaningful reduction in a holder's proportionate interest in us will depend on the particular facts and circumstances. However, the IRS has indicated in a published ruling that even a small reduction in the proportionate interest of a small minority shareholder in a publicly held corporation who exercises no control over corporate affairs may constitute such a "meaningful reduction."

If none of the foregoing tests is satisfied, then the redemption of a holder's Public Shares will be treated as a corporate distribution to the redeemed holder and the material U.S. federal income tax consequences of the redemption to such holder that is a U.S. holder generally will be as described below under the section entitled "*U.S. Holders — Taxation of Redemption Treated as a Distribution*," and the material U.S. federal income tax consequences of the redemption to such holder that is a Non-U.S. holder generally will be as described below under the section entitled "*Non-U.S. Holders — Taxation of Redemption Treated as a Distribution*." After the application of those rules, any remaining tax basis of the holder in the redeemed Public Shares will be added to the holder's adjusted tax basis in its remaining shares, or, if it has none, to the holder's adjusted tax basis in its Public Warrants or possibly in other shares constructively owned by it.

A holder of Public Shares should consult its tax advisors as to the tax consequences of a redemption.

U.S. Holders

This section applies to "U.S. holders." For purposes of this discussion, a "U.S. holder" means a beneficial owner of Public Shares that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or other entity taxable as a corporation) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income tax regardless of its source; or
- a trust, if (i) a court within the United States is able to exercise primary supervision over the administration of such trust and one or more "United States persons" (within the meaning of Section 7701(a)(30) of the Code) have the authority to control all substantial decisions of the trust or (ii) the trust validly elected to be treated as a United States person for U.S. federal income tax purposes.

Taxation of Redemption Treated as a Distribution

If the redemption of a U.S. holder's Public Shares is treated as a distribution, as discussed above under the section entitled "*Tax Treatment of Redeeming Shareholders*," then subject to the PFIC rules discussed below, such a distribution generally will constitute a dividend for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Such amount will be includable in gross income by such U.S. holder who actually or constructively receives the distribution in accordance with the U.S. Holder's regular method of accounting for U.S. federal income tax purposes. Dividends will be taxable to a corporate U.S. holder at regular rates and will not be eligible for the dividends-received deduction generally allowed to domestic corporations in respect of dividends from other domestic corporations. Subject to the PFIC rules described below, distributions in excess of our current and accumulated earnings and profits will constitute a return of capital that will be first applied against and reduce (but not below zero) the U.S. holder's adjusted tax basis in its Public Shares. Any remaining excess will be treated as gain recognized on the sale or other taxable disposition of the Public Shares and will be treated as described below under the section entitled "*U.S. Holders — Taxation of Redemption Treated as a Sale of Public Shares*."

TABLE OF CONTENTS

With respect to non-corporate U.S. holders, under tax laws currently in effect and subject to certain exceptions (including, but not limited to, dividends treated as investment income for purposes of investment interest deduction limitations), dividends generally will be taxed at the lower applicable long-term capital gains rate only if the Public Shares are readily tradable on an established securities market in the United States, the Company is not treated as a PFIC at the time the dividend was paid or in the preceding year and provided certain holding period requirements are met. It is unclear whether the redemption rights with respect to our Public Shares may suspend the running of the applicable holding period for this purpose.

Taxation of Redemption Treated as a Sale of Public Shares

If the redemption of a U.S. holder's Public Shares is treated as a sale, as discussed above under the section entitled "*Tax Treatment of Redeeming Shareholders*," then subject to the PFIC rules discussed below a U.S. holder generally will recognize capital gain or loss in an amount equal to the difference between the amount of cash received and the U.S. holder's adjusted tax basis in the Public Shares redeemed. Any such capital gain or loss generally will be long-term capital gain or loss if the U.S. holder's holding period for the Public Shares so disposed of exceeds one year. It is unclear, however, whether the redemption rights with respect to the Public Shares may suspend the running of the applicable holding period for this purpose. Long-term capital gains recognized by non-corporate U.S. holders are generally eligible to be taxed at preferential rates. The deductibility of capital losses is subject to limitations. U.S. holders who hold different blocks of Public Shares (Public Shares purchased or acquired on different dates or at different prices) should consult their tax advisors to determine how the above rules apply to them.

Passive Foreign Investment Company Rules

A foreign (i.e., non-U.S.) corporation will be classified as a PFIC for U.S. federal income tax purposes if either (i) at least 75% of its gross income in a taxable year, including its *pro rata* share of the gross income of any corporation in which it is considered to own at least 25% of the shares by value, is passive income or (ii) at least 50% of its assets in a taxable year (ordinarily determined based on fair market value and averaged quarterly over the year), including its *pro rata* share of the assets of any corporation in which it is considered to own at least 25% of the shares by value, are held for the production of, or produce, passive income. Passive income generally includes dividends, interest, rents and royalties (other than rents or royalties derived from the active conduct of a trade or business) and gains from the disposition of passive assets. The determination of whether a foreign corporation is a PFIC is made annually. Pursuant to a "startup exception," a foreign corporation will not be a PFIC for the first taxable year the foreign corporation has gross income (the "**startup year**") if (i) no predecessor of the foreign corporation was a PFIC; (ii) the foreign corporation satisfies the IRS that it will not be a PFIC for either of the first two taxable years following the startup year; and (iii) the foreign corporation is not in fact a PFIC for either of those years.

Based upon the composition of our income and assets, and upon a review of our financial statements, we believe that we likely will not be eligible for the startup exception and therefore likely have been a PFIC since our first taxable year.

Although our PFIC status is determined annually, an initial determination that our company is a PFIC will generally apply for subsequent years to a U.S. holder who held Public Shares or warrants while we were a PFIC, whether or not we meet the test for PFIC status in those subsequent years. If we are determined to be a PFIC for any taxable year (or portion thereof) that is included in the holding period of a U.S. holder of our Public Shares and the U.S. holder does not make either a timely and valid qualified electing fund ("**QEF**") election for our first taxable year as a PFIC in which the U.S. holder held (or was deemed to hold) Public Shares, a QEF election along with a purging election, or a mark-to-market election, each as described below, such U.S. holder generally will be subject to special rules with respect to (i) any gain recognized by the U.S. holder on the sale or other disposition of its Public Shares (which may include gain realized by reason of transfer of Public Shares that would otherwise qualify as non-recognition transactions for U.S. federal income tax purposes) and (ii) any "excess distribution" made to the U.S. holder (generally, any distributions to such U.S. holder during a taxable year of the U.S. holder that are greater than 125% of the average annual distributions received by such U.S. holder in respect of the Public Shares during the three preceding taxable years of such U.S. holder or, if shorter, such U.S. holder's holding period for the Public Shares).

TABLE OF CONTENTS

Under these rules:

- the U.S. holder's gain or excess distribution will be allocated ratably over the U.S. holder's holding period for the Public Shares;
- the amount allocated to the U.S. holder's taxable year in which the U.S. holder recognized the gain or received the excess distribution, or to the period in the U.S. holder's holding period before the first day of our first taxable year in which we are a PFIC, will be taxed as ordinary income;
- the amount allocated to other taxable years (or portions thereof) of the U.S. holder and included in its holding period will be taxed at the highest tax rate in effect for that year and applicable to the U.S. holder; and
- an additional tax equal to the interest charge generally applicable to underpayments of tax will be imposed on the U.S. holder with respect to the tax attributable to each such other taxable year of the U.S. holder.

In general, if we are determined to be a PFIC, a U.S. holder may avoid the PFIC tax consequences described above in respect of our Public Shares by making a timely and valid QEF election (if eligible to do so) to include in income its *pro rata* share of our net capital gains (as long-term capital gain) and other earnings and profits (as ordinary income), on a current basis, in each case, whether or not distributed, in the taxable year of the U.S. holder in which or with which our taxable year ends. A U.S. holder generally may make a separate election to defer the payment of taxes on undistributed income inclusions under the QEF rules, but if deferred, any such taxes will be subject to an interest charge.

The QEF election is made on a shareholder-by-shareholder basis and, once made, can be revoked only with the consent of the IRS. A U.S. holder generally makes a QEF election by attaching a completed IRS Form 8621 (Information Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund), including the information provided in a PFIC Annual Information Statement, to a timely filed U.S. federal income tax return for the tax year to which the election relates. Retroactive QEF elections generally may be made only by filing a protective statement with such return and if certain other conditions are met or with the consent of the IRS. U.S. holders are urged to consult their tax advisors regarding the availability and tax consequences of a retroactive QEF election under their particular circumstances.

In order to comply with the requirements of a QEF election, a U.S. holder must receive a PFIC Annual Information Statement from us. There is no assurance that we will timely provide such required information. There is also no assurance that we will have timely knowledge of our status as a PFIC in the future or of the required information to be provided.

If a U.S. holder has made a QEF election with respect to our Public Shares, and the excess distribution rules discussed above do not apply to such shares (because of a timely QEF election for our first taxable year as a PFIC in which the U.S. holder holds (or is deemed to hold) such shares or a purge of the PFIC taint pursuant to a purging election, as described above), any gain recognized on the sale of our Public Shares generally will be taxable as capital gain and no additional tax or interest charge will be imposed under the PFIC rules. As discussed above, if we are a PFIC for any taxable year, a U.S. holder of our Public Shares that has made a QEF election will be currently taxed on its *pro rata* share of our earnings and profits, whether or not distributed for such year. A subsequent distribution of such earnings and profits that were previously included in income generally should not be taxable when distributed to such U.S. holder. The tax basis of a U.S. holder's shares in a QEF will be increased by amounts that are included in income, and decreased by amounts distributed but not taxed as dividends, under the above rules. In addition, if we are not a PFIC for any taxable year, such U.S. holder will not be subject to the QEF inclusion regime with respect to our Public Shares for such taxable year.

Alternatively, if we are a PFIC and our Public Shares constitute "marketable stock," a U.S. holder may avoid the adverse PFIC tax consequences discussed above if such U.S. holder, at the close of the first taxable year in which it holds (or is deemed to hold) our Public Shares, makes a mark-to-market election with respect to such shares for such taxable year. Such U.S. holder generally will include for each of its taxable years as ordinary income the excess, if any, of the fair market value of its Public Shares at the end of such year over its adjusted basis in its Public Shares. The U.S. holder also will recognize an ordinary loss in respect of the excess, if any, of its adjusted basis of its Public Shares over the fair market value of its Public Shares at the end of its taxable year (but only to the extent of the net

TABLE OF CONTENTS

amount of previously included income as a result of the mark-to-market election). The U.S. holder's basis in its Public Shares will be adjusted to reflect any such income or loss amounts, and any further gain recognized on a sale or other taxable disposition of its Public Shares will be treated as ordinary income.

The mark-to-market election is available only for "marketable stock," generally, stock or shares that are regularly traded on a national securities exchange that is registered with the Securities and Exchange Commission, including NYSE, or on a foreign exchange or market that the IRS determines has rules sufficient to ensure that the market price represents a legitimate and sound fair market value. If made, a mark-to-market election would be effective for the taxable year for which the election was made and for all subsequent taxable years unless the ordinary shares ceased to qualify as "marketable stock" for purposes of the PFIC rules or the IRS consented to the revocation of the election. U.S. holders are urged to consult their tax advisors regarding the availability and tax consequences of a mark-to-market election with respect to our Public Shares under their particular circumstances.

If we are a PFIC and, at any time, have a foreign subsidiary that is classified as a PFIC, U.S. holders generally would be deemed to own a portion of the shares of such lower-tier PFIC, and generally could incur liability for the deferred tax and interest charge described above if we receive a distribution from, or dispose of all or part of our interest in, the lower-tier PFIC or the U.S. holders otherwise were deemed to have disposed of an interest in the lower-tier PFIC. There can be no assurance that we will have timely knowledge of the status of any such lower-tier PFIC. In addition, there can be no assurance we will cause (or be able to cause) the lower-tier PFIC to provide the information required to enable a U.S. holder to make or maintain a QEF election with respect to a lower-tier PFIC. U.S. holders are urged to consult their tax advisors regarding the tax issues raised by lower-tier PFICs.

A U.S. holder that owns (or is deemed to own) shares in a PFIC during any taxable year of the U.S. holder, may have to file an IRS Form 8621 (whether or not a QEF or mark-to-market election is made) and such other information as may be required by the U.S. Treasury Department. Failure to do so, if required, will extend the statute of limitations until such required information is furnished to the IRS.

The rules dealing with PFICs and with the QEF and mark-to-market elections are very complex and are affected by various factors in addition to those described above. Accordingly, U.S. holders of our Public Shares are urged to consult their own tax advisors concerning the application of the PFIC rules to our securities under their particular circumstances.

Non-U.S. Holders

This section applies to "Non-U.S. holders." For purposes of this discussion, a "Non-U.S. holder" means a beneficial owner of Public Shares that is neither a U.S. holder nor an entity or arrangement treated as a partnership for U.S. federal income tax purposes.

Taxation of Redemption as a Distribution

If the redemption of a Non-U.S. holder's Public Shares is treated as a distribution, as discussed above under the section entitled "*Tax Treatment of Redeeming Shareholders*," such a distribution generally will constitute a dividend for U.S. federal income tax purposes to the extent paid out of our current or accumulated earnings and profits (as determined under U.S. federal income tax principles). Unless such dividend is effectively connected with the Non-U.S. holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, is attributable to a U.S. permanent establishment or fixed base maintained by the Non-U.S. holder), such dividend will generally not be subject to U.S. federal income or withholding tax. Distributions in excess of our current and accumulated earnings and profits and that exceed the Non-U.S. holder's adjusted tax basis in its Public Shares will similarly not be generally subject to U.S. federal income or withholding tax unless effectively connected with the Non-U.S. holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, is attributable to a U.S. permanent establishment or fixed base maintained by the Non-U.S. holder).

Dividends paid to a Non-U.S. holder that are effectively connected with the Non-U.S. holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, are attributable to a U.S. permanent establishment or fixed base maintained by the Non-U.S. holder), will be subject to regular U.S. federal income tax as if the Non-U.S. holder were a U.S. resident, subject to an applicable income tax treaty providing otherwise. A Non-U.S. holder that is a corporation for U.S. federal income tax purposes may also be subject to an additional "branch profits tax" imposed at a rate of 30% (or such lower rate specified by an applicable income tax treaty) on its "effectively connected earnings and profits" for the taxable year, as adjusted for certain items.

TABLE OF CONTENTS

Taxation of Redemption as a Sale of Public Shares

If the redemption of a Non-U.S. holder's Public Shares is treated as a sale, as discussed above under "Tax Treatment of Redeeming Shareholders," a Non-U.S. holder generally will not be subject to U.S. federal income or withholding tax in respect of gain recognized in connection with such redemption, unless:

- the gain is effectively connected with the conduct of a trade or business by the Non-U.S. holder within the United States (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment or fixed base maintained by the Non-U.S. holder); or
- the Non-U.S. holder is an individual who is present in the United States for 183 days or more during the taxable year of the redemption and certain other requirements are met.

Unless an applicable treaty provides otherwise, gain described in the first bullet point above generally will be subject to tax at generally applicable U.S. federal income tax rates as if the Non-U.S. holder were a U.S. resident. A Non-U.S. holder that is a corporation for U.S. federal income tax purposes may also be subject to an additional "branch profits tax" at a 30% rate (or such lower rate specified by an applicable income tax treaty) on its "effectively connected earnings and profits" for the taxable year, as adjusted for certain items.

Gain described in the second bullet point above generally will be subject to U.S. federal income tax at a rate of 30% (or such lower rate specified by an applicable income tax treaty), which generally may be offset by U.S. source capital losses of the Non-U.S. holder, *provided* the Non-U.S. holder has timely filed U.S. federal income tax returns with respect to such losses.

Information Reporting and Backup Withholding

Generally, information reporting requirements may apply in connection with payments made to U.S. holders or Non-U.S. holders in connection with a redemption of Public Shares.

Backup withholding of tax (currently at a rate of 24%) generally will apply to cash payments to which a U.S. holder is entitled in connection with a redemption of Public Shares, unless the U.S. holder provides the applicable withholding agent with a properly completed and executed IRS Form W-9 providing such U.S. holder's correct taxpayer identification number and certifying that such holder is not subject to backup withholding, or otherwise establishes an exemption. A Non-U.S. holder generally may eliminate the requirement for information reporting and backup withholding by providing certification of its foreign status, under penalties of perjury, on a duly executed applicable IRS Form W-8 or by otherwise establishing an exemption.

Backup withholding is not an additional tax. The amount of any backup withholding from a payment to a U.S. holder or Non-U.S. holder generally will be allowed as a credit against such holder's U.S. federal income tax liability, if any, and may entitle such holder to a refund, *provided that* the required information is timely furnished to the IRS.

THE DISCUSSION ABOVE IS BASED ON CURRENT LAW. LEGISLATIVE, ADMINISTRATIVE OR JUDICIAL CHANGES OR INTERPRETATIONS, WHICH CAN APPLY RETROACTIVELY, COULD AFFECT THE ACCURACY OF THE STATEMENTS SET FORTH THEREIN. THIS DISCUSSION IS FOR GENERAL INFORMATION PURPOSES ONLY. IT DOES NOT ADDRESS TAX CONSIDERATIONS THAT MAY VARY WITH, OR ARE CONTINGENT ON, A HOLDER'S INDIVIDUAL CIRCUMSTANCES NOR THE APPLICATION OF ANY U.S. NON-INCOME TAX LAWS OR THE LAWS OF ANY STATE, LOCAL OR NON-U.S. JURISDICTION. Number and Terms of Office of Officers and Directors

Our board of directors is divided into three classes, with only one class of directors being elected in each year, and with each class (except for those directors appointed prior to our first annual meeting of shareholders) serving a three-year term. The term of office of the first class of directors, consisting of Larry Kudlow, will expire at the extraordinary general meeting. The term of office of the second class of directors, consisting of Edward A. Snyder, will expire at our second annual meeting of shareholders (or extraordinary general meeting in lieu of annual meeting). The term of office of the third class of directors, consisting of Lord William Astor and Wilbur L. Ross, Jr., will expire at our third annual meeting of shareholders (or extraordinary general meeting in lieu of annual meeting).

Prior to the completion of a Business Combination, any vacancy on the board of directors may be filled by a nominee chosen by holders of a majority of our Founder Shares. In addition, prior to the completion of a Business Combination, holders of a majority of our Founder Shares may remove a member of the board of directors for any reason.

TABLE OF CONTENTS

Pursuant to the registration rights agreement entered into upon the closing of the IPO, our Sponsor, upon and following consummation of an Initial Business Combination, will be entitled to nominate three individuals for election to our board of directors, as long as the Sponsor holds any securities covered by the registration and shareholder rights agreement.

Our officers are appointed by the board of directors and serve at the discretion of the board of directors, rather than for specific terms of office. Our board of directors is authorized to appoint persons to the offices set forth in our Articles as it deems appropriate. Our Charter provide that our officers may consist of one or more chairman of the board, chief executive officer, president, chief financial officer, vice presidents, secretary, treasurer and such other offices as may be determined by the board of directors.

Director Independence

NYSE listing standards require that a majority of our board of directors be independent. Our board of directors has determined that Lord William Astor, Larry Kudlow and Edward A. Snyder are “independent directors” as defined in the NYSE listing standards. Our independent directors have regularly scheduled meetings at which only independent directors are present.

Family Relationships

There are no family relationships among any of the Company’s directors and executive officers.

Legal Proceedings

There is no material litigation, arbitration or governmental proceeding currently pending against the Company or any members of its management team in their capacity as such, and the Company and the members of its management team have not been subject to any such proceeding in the 12 months preceding the date of this proxy statement.

There is no material litigation, arbitration or governmental proceeding to which any director or officer, or any associate of any such director or officer, is a party adverse to the Company or has a material interest adverse to the Company.

Communication with Directors

Shareholders may communicate concerns with any director, committee or the Board by writing to the following address: 1 Pelican Lane, Palm Beach, Florida 33480, (561) 655-2615, Attn: Nadim Qureshi. Please specify to whom your correspondence should be directed. We will review all messages received, and forward any message that reasonably appears to be a communication from a shareholder about a matter of shareholder interest that is intended for communication to our Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to our Board generally, to the Chairman of our Board. Because other appropriate avenues of communication exist for matters that are not of shareholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of shareholder interest are not forwarded to our Board.

Hedging Policy

Our directors, officers and employees are prohibited from engaging in hedging or monetization transactions, including through the use of financial instruments such as prepaid variable forwards, equity swaps, collars and exchange funds, related to the Company’s securities.

Executive Officer and Director Compensation

None of our executive officers or directors have received any cash compensation for services rendered to us. We currently reimburse an affiliate of our Sponsor for office space, secretarial and administrative services provided to us in the amount of \$10,000 per month. In addition, our Sponsor, executive officers and directors, or their respective affiliates are reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf such as identifying potential target businesses and performing due diligence on suitable business combinations. Our audit committee reviews on a quarterly basis all payments that were made by us to our Sponsor, executive officers or directors, or their affiliates. Any such payments prior to a Business Combination will be made using funds held outside the Trust Account. Other than quarterly audit committee review of such reimbursements, we do not have any additional controls in place governing our reimbursement payments to our directors and executive officers for their

out-of-pocket expenses incurred in connection with our activities on our behalf in connection with identifying and consummating a Business Combination. Other than these payments and reimbursements, no compensation of any kind, including finder's and consulting fees, will be paid by the Company to our Sponsor, executive officers and directors, or their respective affiliates, prior to completion of a Business Combination.

After the completion of a Business Combination, directors or members of our management team who remain with us may be paid consulting or management fees from the combined company. All of these fees will be fully disclosed to shareholders, to the extent then known, in the proxy solicitation materials or tender offer materials furnished to our shareholders in connection with a proposed business combination. We have not established any limit on the amount of such fees that may be paid by the combined company to our directors or members of management. It is unlikely the amount of such compensation will be known at the time of a Business Combination, because the directors of the post-combination business will be responsible for determining executive officer and director compensation. Any compensation to be paid to our executive officers will be determined, or recommended to the board of directors for determination, either by a compensation committee constituted solely by independent directors or by a majority of the independent directors on our board of directors.

We do not intend to take any action to ensure that members of our management team maintain their positions with us after the consummation of a Business Combination, although it is possible that some or all of our executive officers and directors may negotiate employment or consulting arrangements to remain with us after a Business Combination. The existence or terms of any such employment or consulting arrangements to retain their positions with us may influence our management's motivation in identifying or selecting a target business but we do not believe that the ability of our management to remain with us after the consummation of a Business Combination will be a determining factor in our decision to proceed with any potential business combination. We are not party to any agreements with our executive officers and directors that provide for benefits upon termination of employment.

Committees of the Board of Directors

Our board of directors have three standing committees: an audit committee (the "Audit Committee"), a nominating committee and a compensation committee. Subject to phase-in rules and a limited exception, the rules of the NYSE and Rule 10A-3 of the Exchange Act require that the audit committee of a listed company be comprised solely of independent directors. Any payments made to members of our audit committee will be reviewed and approved by our board of directors, with the interested director or directors abstaining from such review and approval.

*Audit Committee Report**

The Audit Committee assists the Board with its oversight responsibilities regarding the Company's financial reporting process. Management is responsible for the preparation, presentation and integrity of the Company's financial statements and the reporting process, including the Company's accounting policies, internal control over financial reporting and disclosure controls and procedures. WithumSmith + Brown, PC, the Company's independent registered public accounting firm ("Withum"), is responsible for performing an audit of the Company's financial statements.

We have reviewed and discussed with Withum the overall scope and plans of their audit. We met with Withum with and/or without Management present, to discuss the results of its examinations, its evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

With regard to the fiscal year ended December 31, 2022, the Audit Committee (i) reviewed and discussed with Management the Company's audited financial statements as of December 31, 2022, and for the year then ended; (ii) discussed with Withum the matters required by Public Company Accounting Oversight Board (the "PCAOB") and the SEC; (iii) received the written disclosures and the letter from Withum required by applicable requirements of the PCAOB regarding Withum communications with the Audit Committee regarding independence; and (iv) discussed with Withum their independence.

Based on the review and discussions described above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022, for filing with the SEC.

Code of Ethics

We have adopted a Code of Ethics applicable to our directors, officers and employees. A copy of the Code of Ethics will be provided without charge upon request from us and is posted on our website www.rossacquisition2.com. If we make any amendments to our Code of Ethics, other than technical, administrative or other non-substantive amendments, or grant any waiver, including any implicit waiver, from a provision of the Code of Ethics applicable to our principal executive officer, principal financial officer principal accounting officer or controller or persons performing similar functions requiring disclosure under applicable SEC or NYSE rules, we will disclose the nature of such amendment or waiver on our website and/or in a Current Report on Form 8-K. Conflicts of Interest

Under Cayman Islands law, directors and officers owe the following fiduciary duties:

- duty to act in good faith in what the director or officer believes to be in the best interests of the company as a whole;
- duty to exercise powers for the purposes for which those powers were conferred and not for a collateral purpose;
- directors should not improperly fetter the exercise of future discretion;
- duty to exercise powers fairly as between different sections of shareholders;
- duty not to put themselves in a position in which there is a conflict between their duty to the company and their personal interests; and
- duty to exercise independent judgment.

In addition to the above, directors also owe a duty of care which is not fiduciary in nature. This duty has been defined as a requirement to act as a reasonably diligent person having both the general knowledge, skill and experience that may reasonably be expected of a person carrying out the same functions as are carried out by that director in relation to the company and the general knowledge skill and experience of that director.

As set out above, directors have a duty not to put themselves in a position of conflict and this includes a duty not to engage in self-dealing, or to otherwise benefit as a result of their position. However, in some instances what would otherwise be a breach of this duty can be forgiven and/or authorized in advance by the shareholders provided that there is full disclosure by the directors. This can be done by way of permission granted in the amended and restated memorandum and articles of association or alternatively by shareholder approval at shareholder meetings.

Certain of our founders, officers and directors presently have, and any of them in the future may have additional, fiduciary and contractual duties to other entities. As a result, if any of our founders, officers or directors becomes aware of a business combination opportunity which is suitable for an entity to which he or she has then-current fiduciary or contractual obligations, then, subject to their fiduciary duties under Cayman Islands law, he or she will need to honor such fiduciary or contractual obligations to present such business combination opportunity to such entity, before we can pursue such opportunity. If these other entities decide to pursue any such opportunity, we may be precluded from pursuing the same. However, we do not expect these duties to materially affect our ability to complete our Initial Business Combination. Our Charter provides that, to the fullest extent permitted by applicable law: (i) no individual serving as a director or an officer shall have any duty, except and to the extent expressly assumed by contract, to refrain from engaging directly or indirectly in the same or similar business activities or lines of business as us; and (ii) we renounce any interest or expectancy in, or in being offered an opportunity to participate in, any potential transaction or matter which may be a corporate opportunity for any director or officer, on the one hand, and us, on the other.

TABLE OF CONTENTS

Below is a table summarizing the entities to which our executive officers and directors currently have fiduciary duties, contractual obligations or other material management relationships:

<u>Individual</u>	<u>Entity</u>	<u>Entity's Business</u>	<u>Affiliation</u>
Stephen J. Toy	BroadPeak Global LP	Private Equity	Co-Founder and Managing Partner
Nadim Z. Qureshi	Diamond S Shipping Inc.	Petroleum Shipping	Director and Chairman of the Board, Chair of the Compensation Committee
	BroadPeak Global LP	Private Equity	Co-Founder and Managing Partner
Lord William Astor	Silvergate Media Limited	Media and Broadcasting	Chairman of the Board Director
Larry Kudlow	Kudlow & Co., LLC	Economic Research	Chief Executive Officer
Edward A. Snyder	KemperSports, Inc.	Sports Management	Director

Potential investors should also be aware of the following other potential conflicts of interest:

- Our executive officers and directors are not required to, and will not, commit their full time to our affairs, which may result in a conflict of interest in allocating their time between our operations and our search for a business combination and their other businesses. We do not intend to have any full-time employees prior to the completion of a Business Combination. Each of our executive officers is engaged in several other business endeavors for which he may be entitled to substantial compensation, and our executive officers are not obligated to contribute any specific number of hours per week to our affairs.
- Our Sponsor subscribed for Founder Shares prior to the closing of the IPO and purchased Private Placement Warrants in a transaction that closed simultaneously with the closing of the IPO.
- Our Sponsor and each member of our management team have entered into an agreement with us, pursuant to which they have agreed to waive their redemption rights with respect to any Founder Shares and Public Shares held by them in connection with (i) the completion of our Initial Business Combination, and (ii) a shareholder vote to approve an amendment to our Charter (A) that would modify the substance or timing of our obligation to provide Public Shares the right to have their Public Shares redeemed in connection with a Business Combination or to redeem 100% of our Public Shares if we do not complete a Business Combination by September 16, 2023 or (B) with respect to any other provision relating to the rights of holders of our Public Shares or pre-Initial Business Combination activity. Additionally, our Sponsor has agreed to waive its rights to liquidating distributions from the Trust Account with respect to its Founder Shares if we fail to complete a Business Combination within the prescribed time frame. If we do not complete a Business Combination within the prescribed time frame, the Private Placement Warrants will expire worthless. Except as described herein, our Sponsor and our directors and executive officers have agreed not to transfer, assign or sell any of their Founder Shares until the earliest of (A) one year after the completion of a Business Combination and (B) subsequent to a Business Combination, (x) if the closing price of our Class A ordinary shares equals or exceeds \$12.00 per share (as adjusted for share subdivisions, share capitalizations, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after a Business Combination, or (y) the date on which we complete a liquidation, merger, share exchange or other similar transaction that results in all of our Public Shareholders having the right to exchange their ordinary shares for cash, securities or other property. Except as described herein, the Private Placement Warrants will not be transferable until 30 days following the completion of our Initial Business Combination. Because each of our directors and officers will, directly or indirectly, own Founder Shares and/or Private Placement Warrants, they may have a conflict of interest in determining whether a particular target business is an appropriate business with which to effectuate a Business Combination.
- Our officers and directors may have a conflict of interest with respect to evaluating a particular business combination, if the retention or resignation of any such officers and directors is included by a target business as a condition to any agreement with respect to our Initial Business Combination. In addition, our founders, Sponsor, officers and directors may sponsor, form or participate in other blank check companies similar to ours during the period in which we are seeking an Initial Business Combination. Any such companies may present additional conflicts of interest in pursuing an acquisition target, particularly in the event there is overlap among investment mandates.

TABLE OF CONTENTS

We are not prohibited from pursuing an Initial Business Combination with a company that is affiliated with our Sponsor, founders, officers or directors. In the event we seek to complete our Initial Business Combination with a company that is affiliated with our Sponsor or any of our founders, officers or directors, we, or a committee of independent directors, will obtain an opinion from an independent investment banking firm or another independent entity that commonly renders valuation opinions that such Initial Business Combination is fair to our Company from a financial point of view. We are not required to obtain such an opinion in any other context.

Furthermore, in no event will our Sponsor or any of our existing officers or directors, or their respective affiliates, be paid by us any finder's fee, consulting fee or other compensation prior to, or for any services they render in order to effectuate, the completion of our Initial Business Combination. Further, commencing on the date our securities are first listed on the NYSE, we will also reimburse an affiliate of our Sponsor for office space, secretarial and administrative services provided to us in the amount of \$10,000 per month.

We cannot assure investors that any of the above mentioned conflicts will be resolved in our favor.

If we seek shareholder approval, we will complete our Initial Business Combination only if a majority of the ordinary shares, represented in person or by proxy and entitled to vote thereon, voted at a shareholder meeting are voted in favor of an Initial Business Combination. In such case, our Sponsor and each member of our management team have agreed to vote their Founder Shares and Public Shares in favor of a Business Combination.

See the section entitled "*The Extension Amendment Proposal — Interests of the Sponsor, Directors and Officers*" for a discussion of the financial and personal interests of our directors and officers that may result in a conflict of interest on the part of one or more of the directors or officers between what he, she or they may believe is in the best interests of the Company and its shareholders and what he, she or they may believe is best for himself, herself or themselves in determining to recommend that shareholders vote for the Proposals.

Limitation on Liability and Indemnification of Officers and Directors

Cayman Islands law does not limit the extent to which a company's memorandum and articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against willful default, willful neglect, civil fraud or the consequences of committing a crime. Our Charter provides for indemnification of our officers and directors to the maximum extent permitted by law, including for any liability incurred in their capacities as such, except through their own actual fraud, willful default or willful neglect. We will enter into agreements with our directors and officers to provide contractual indemnification in addition to the indemnification provided for in our Charter. We expect to purchase a policy of directors' and officers' liability insurance that insures our officers and directors against the cost of defense, settlement or payment of a judgment in some circumstances and insures us against our obligations to indemnify our officers and directors.

Our officers and directors have agreed to waive any right, title, interest or claim of any kind in or to any monies in the Trust Account, and have agreed to waive any right, title, interest or claim of any kind they may have in the future as a result of, or arising out of, any services provided to us and will not seek recourse against the Trust Account for any reason whatsoever (except to the extent they are entitled to funds from the Trust Account due to their ownership of Public Shares). Accordingly, any indemnification provided will only be able to be satisfied by us if (i) we have sufficient funds outside of the Trust Account or (ii) we consummate a Business Combination.

Our indemnification obligations may discourage shareholders from bringing a lawsuit against our officers or directors for breach of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against our officers and directors, even though such an action, if successful, might otherwise benefit us and our shareholders. Furthermore, a shareholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against our officers and directors pursuant to these indemnification provisions.

We believe that these provisions, the insurance and the indemnity agreements are necessary to attract and retain talented and experienced officers and directors.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Founder Shares

On January 22, 2021, the Sponsor paid \$25,000 to cover certain expenses on behalf of the Company in exchange for issuance of 8,625,000 Founder Shares.

Our Sponsor, officers and directors agreed, subject to limited exceptions, not to transfer, assign or sell any of their Founder Shares until the earlier to occur of: (A) one year after the completion of the Initial Business Combination and (B) subsequent to the Initial Business Combination, (x) if the closing price of the Class A ordinary shares equals or exceeds \$12.00 per share (as adjusted for share subdivisions, share capitalizations, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Initial Business Combination, or (y) the date on which the Company completes a liquidation, merger, share exchange or other similar transaction that results in all of the Public Shareholders having the right to exchange their ordinary shares for cash, securities or other property.

Private Placement Warrants

Simultaneously with the closing of the IPO, the Sponsor purchased an aggregate of 5,933,333 Private Placement Warrants at a price of \$1.50 per Private Placement Warrant, for an aggregate purchase price of \$8.9 million. Each Private Placement Warrant is exercisable for one Class A ordinary share at a price of \$11.50 per share, subject to adjustment. The proceeds from the sale of the Private Placement Warrants were added to the net proceeds from the IPO held in the Trust Account. If the Company does not complete a Business Combination by September 16, 2023, the proceeds from the sale of the Private Placement Warrants held in the Trust Account will be used to fund the redemption of the Public Shares (subject to the requirements of applicable law) and the Private Placement Warrants will expire worthless.

Administrative Services

Commencing on the date that the Company's securities were first listed on the NYSE, the Company entered into an agreement with the Sponsor whereby, the Company agreed to pay an affiliate of the Sponsor a total of \$10,000 per month for office space and secretarial and administrative support services. Upon completion of a Business Combination or its liquidation, the Company will cease paying these monthly fees. For the period from January 19, 2021 (inception) through December 31, 2021, the Company incurred \$100,000 of such fees. For the year ended December 31, 2022, the Company incurred \$120,000 of such fees.

Related Party Loans

On January 21, 2021, the Sponsor agreed to loan the Company an aggregate of up to \$300,000 to cover for expenses related to the IPO pursuant to a promissory note. This loan was non-interest bearing and payable upon the completion of the IPO. As of March 16, 2021, the Company borrowed approximately \$90,000 under the note. The Company repaid the note in full on March 19, 2021. Subsequent to the repayment, the facility was no longer available to the Company.

In order to finance transaction costs in connection with a Business Combination, the Sponsor or an affiliate of the Sponsor, or certain of the Company's officers and directors may, but are not obligated to, loan the Company funds as may be required pursuant to Working Capital Loans. If the Company completes a Business Combination, the Company will repay the Working Capital Loans out of the proceeds of the Trust Account released to the Company. Otherwise, the Working Capital Loans would be repaid only out of funds held outside the Trust Account. In the event that no Business Combination is closed, the Company may use a portion of the proceeds held outside the Trust Account to repay the Working Capital Loans but no proceeds held in the Trust Account would be used to repay the Working Capital Loans. Except for the foregoing, the terms of such Working Capital Loans, if any, have not been determined and no written agreements exist with respect to such loans. The Working Capital Loans would either be repaid upon consummation of an Initial Business Combination, without interest, or, at the lenders' discretion, up to \$1.5 million of such Working Capital Loans may be convertible into warrants of the post Business Combination entity at a price of \$1.50 per warrant. The warrants would be identical to the Private Placement Warrants. As of December 31, 2022, the Company had no borrowings under the Working Capital Loans.

Registration and Shareholder Rights

The holders of the Founder Shares and Private Placement Warrants and warrants that may be issued upon conversion of the Working Capital Loans, if any, were entitled to registration rights pursuant to a registration and

shareholder rights agreement dated September 16, 2023. These holders are entitled to certain demand and “piggyback” registration rights. However, the registration and shareholder rights agreement provides that the Company would not permit any registration statement filed under the Securities Act to become effective until the termination of the applicable lock-up period for the securities to be registered. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

In addition, pursuant to the registration and shareholder rights agreement, our Sponsor, upon and following consummation of a Business Combination, will be entitled to nominate three individuals for election to our board of directors, as long as the Sponsor holds any securities covered by the registration and shareholder rights agreement.

Policy for Approval of Related Party Transactions

The Audit Committee of our board of directors has adopted a charter providing for the review, approval and/or ratification of “related party transactions,” which are those transactions required to be disclosed pursuant to Item 404 of Regulation S-K as promulgated by the SEC, by the Audit Committee. At its meetings, the Audit Committee shall be provided with the details of each new, existing, or proposed related party transaction, including the terms of the transaction, any contractual restrictions that the Company has already committed to, the business purpose of the transaction, and the benefits of the transaction to the Company and to the relevant related party. Any member of the committee who has an interest in the related party transaction under review by the committee shall abstain from voting on the approval of the related party transaction, but may, if so requested by the chairman of the committee, participate in some or all of the committee’s discussions of the related party transaction. Upon completion of its review of the related party transaction, the committee may determine to permit or to prohibit the related party transaction.

TABLE OF CONTENTS

The Sponsor beneficially owns 57.5% of the issued and outstanding ordinary shares. The Sponsor has the right to elect all of our directors prior to the consummation of our initial business combination as a result of holding all of Class B ordinary shares. In addition, because of this ownership block, the Sponsor may be able to effectively influence the outcome of all matters requiring approval by our shareholders, including amendments to our Articles and approval of significant corporate transactions.

On January 22, 2021, the Sponsor paid \$25,000, or approximately \$0.003 per share, to cover certain expenses on our behalf in consideration of 8,625,000 Class B ordinary shares. The Class B ordinary shares will automatically convert into Class A ordinary shares, on a one-for-one basis, upon the completion of a Business Combination. The number of Class B ordinary shares issued was determined based on the expectation that the Class B ordinary shares would represent 20% of the outstanding ordinary shares upon completion of the IPO.

Concurrently with the completion of the IPO, the Sponsor purchased an aggregate of 5,933,333 Private Placement Warrants at a price of \$1.50 per warrant, or \$8.9 million in the aggregate. An aggregate of \$345.0 million from the proceeds of the IPO and the Private Placement Warrants was placed in the Trust Account such that the Trust Account held \$345.0 million at the time of closing of the IPO. Each whole Private Placement Warrant entitles the holder thereof to purchase one Class A ordinary shares at a price of \$11.50 per share, subject to certain adjustments.
